Selections from the Traveller's Companion Series. Designed and Illustrated by Norman Rubington. (Edited by Maurice Girodias.)* Maurice Girodias, 1965 **Olympia Reader** Maurice Girodias, 1970-07-12 *The Olympia reader* Maurice Girodias (ed), 1965 The New Olympia Reader Maurice Girodias, 1993 The Olympia Reader Maurice Girodias, 1992-01-01 Exiled in Paris James Campbell, 2003-02 This is the first book to explore the English language literary scene in Paris after World War II including the intersecting lives of Richard Wright Samuel Beckett James Baldwin and Maurice Girodias **A Susan Sontag Reader** Susan Sontag, 2014-09-09 Susan Sontag occupies a special place in Modern American letters She has become our most important critic while her brilliant novels and short fiction are at long last getting the recognition they deserve Sontag is above all a writer which is only to say that though the form may differ there is an essential unity in all her work The truth of this is perhaps more evident in A Susan Sontag Reader than in any of Sontag's individual books The writer selected a sampling of her work meaning the choice both to reflect accurately a career and also to guide the reader toward those qualities and concerns which she prizes in her own writing A Susan Sontag Reader is arranged chronologically and draws on most of Sontag's books There are selections from her two novels *The Benefactor* and *Death Kit* and from her collections of short stories *I etcetera* The famous essays from the 1960s *Against Interpretation* *Notes on Camp* and *On Style* which established Sontag's reputation and can be fairly said to have shaped the cultural views of a generation are included as are selections from her two subsequent volumes of essays *Styles of Radical Will* and *Under the Sign of Satyr* A part of Sontag's best selling *On Photography* is also included It is astonishing to read these works when they are detached from the books they appeared in and offered instead in the order in which Sontag wrote them The connections between various literary forms the progression of themes are revealed in often startling ways Moreover Sontag has included a long interview in which she moves more informally over the whole range of her concerns and of her work The volume ends with *Writing Itself* a previously uncollected essay on Roland Barthes which in the eyes of many is one of Sontag's finest achievements This collection is in a sense both a self portrait and a key for a reader to understand the work of one of the most important writers of our time *Cyr's Readers: Fourth reader* Ellen M. Cyr, 1899
