Don Watson,2016-08-29 In Enemy Within Don Watson takes a memorable journey into the heart of the United States in the year 2016 and the strangest election campaign that country has seen Travelling in the Midwest Watson reflects on the rise of Donald Trump and the thicket of unreality that is the American media Behind this he finds a deeply fearful and divided culture Watson considers the irresistible pull for Americans of the Dream of exceptionalism and asks whether this creed is reaching its limit He explores alternate futures from Trump style fascism to Sanders style civic renewal and suggests that a Clinton presidency might see a new American blend of progressivism and militarism Enemy Within is an eloquent barbed look at the state of the union and the American malaise If as seems likely Clinton wins it will not be out of love or even hope but rather out of fear She can win by simply letting her deplorable opponent lose On the other hand she s nothing if not adaptable and she could yet see the chance to lead the nation s social and economic regeneration Call it a New Great

Awakening or a New New Deal it would owe something to both and to Bernie Sanders as well but also to her need to be more than the first woman president Don Watson Enemy Within Must read Don Watson is the ideal person to survey Trump's America The Weekend Australian A fascinating journey through the United States ABC Brisbane Weekend Bookworm
