**Rudolf Loewenthal**

## Tatar Folksongs:

**Tatar folksongs** László Vikár, Gábor Bereczki, 1999      **Crimean Tatar Folktales** Imre Baski, 2024-07-22 This volume contains Crimean Tatar folklore texts that had been collected by the noted Hungarian Turkologist Ignác Kálos during World War I specifically from Russian Muslim prisoners of war in Hungarian camps. The collection consists of 38 fairy tales and a partial version of the Chora batir epic. The tales featuring padishahs, their sons and naive boys exhibit the enchanting diversity of Crimean Tatar folk imagination. The introductory study delves into linguistic aspects, then the next chapter explicates the transcription system's phonetic nuances. It is followed by an English translation which reflects Kálos' Hungarian translation in a much ameliorated and revised form. A sizable trilingual Crimean Tatar-English-Russian glossary follows, covering the entire Crimean Tatar material collected by Kálos. It becomes evident that dialectal features cannot be sharply separated across the tales since the Crimean dialects are highly mixed in character, distinguished only by the different proportions of northern Kipchak and southern Oghuz elements. The present volume, while preserving valuable pieces of Crimean Tatar folklore and offering linguistic insights, also opens a unique window into a distant time and culture.

**Selected Poems, 1954-94** Gennadij Aigi, 1997 This first substantial presentation of Aigi's poetry to the English-speaking world with original texts and facing translations and the translator's critical introduction, end notes and close readings of three poems draws on each of the mature poem sequences. **BOOK JACKET**      **Historical Linguistics and Philology of Central Asia**, 2021-12-13 András Rána Tas, distinguished Professor Emeritus at the University of Szeged, Hungary, winner of several international prestigious prizes, has devoted his long academic career to the study of Chuvash-Turkic elements in Hungarian, Mongolic, Tibetan linguistic contacts, the Para-Mongolic language Khitan and other Central Asian languages and cultures. This book, presented to him in the occasion of his 90th birthday, contains a collection of papers in Turkic and Mongolic Studies with a focus on the literacy, culture and languages of the steppe civilizations. It is organized in three sections: Turkic Studies, Mongolic Studies and Linguistic and cultural contacts of Altaic languages. It contains papers by some of most renowned experts in Central Asia Studies. Contributors are Klára Agyag, Sándor Bertalan, Árpád Czékely, Gábor Gács, Birtalan Uwe Blasing, Valéria Csiki, Gábor Csat, Edina Dallos, Marcel Erdal, Stefan Georg, Peter Golden, Mária Ivanics, Juha Janhunen, Lars Johanson, György Kara, Bayarma Khabtagaeva, Jens Peter Laut, Raushangul Mukusheva, Oláh Zsuzsanna, Benedek Pári, Elisabetta Ragagnin, Pavel Rykin, Uli Schamiloglu, János Sipos, István Vásáry, Alexander Vovin, Michael Weiers, Jens Wilkens, Wu Yingzhe, Emine Yilmaz and Peter Zieme.      **Modern Things on Trial** Leor Halevi, 2019-07-30 In cities awakening to global exchange under European imperial rule, Muslims encountered all sorts of strange and wonderful new things: synthetic toothbrushes, toilet paper, telegraphs, railways, gramophones, brimmed hats, tailored pants and lottery tickets. The passage of these goods across cultural frontiers spurred passionate debates. Realizing that these goods were changing religious practices and values, proponents and critics wondered what to outlaw and what to permit. In this book, Leor Halevi tells the

story of the Islamic trials of technological and commercial innovations of the late nineteenth and early twentieth centuries He focuses on the communications of an entrepreneurial Syrian interpreter of the shari a named Rashid Rida who became a renowned reformer by responding to the demand for authoritative and authentic religious advice Upon migrating to Egypt Rida founded an Islamic magazine The Lighthouse which cultivated an educated prosperous readership within and beyond the British Empire To an audience eager to know if their scriptures sanctioned particular interactions with particular objects he preached the message that by rediscovering Islam s foundational spirit the global community of Muslims would thrive and realize modernity s religious and secular promises Through analysis of Rida s international correspondence Halevi argues that religious entanglements with new commodities and technologies were the driving forces behind local and global projects to reform the Islamic legal tradition Shedding light on culture commerce and consumption in Cairo and other colonial cities Modern Things on Trial is a groundbreaking account of Islam s material transformation in a globalizing era The New Grove Dictionary of Music and Musicians Stanley Sadie,John Tyrrell,2001 The Turkic Languages and Literatures of Central Asia Rudolf Loewenthal,1957 No detailed description available for The Turkic Languages and Literatures of Central Asia **Xinjiang** Ping Zheng,1989 The New Grove Dictionary of Music and Musicians: Twelve-note to Wagner tuba Stanley Sadie,2001 **The New Grove Dictionary of Music and Musicians: Russian Federation, II to Scotland** Stanley Sadie,2001 **Central Asiatic Studies** ,1957 Budapest Review of Books ,1999 **Chuvash folksongs** László Vikár,Gábor Bereczki,1979 Dictionary Catalog of the Slavonic Collection New York Public Library. Slavonic Division,New York Public Library.
