Tattooed Woman:

Navigating Tattooed Women's Bodies Charlotte Dann, 2021-10-01 This book explores how we understand tattooed women's bodies in the UK through the lens of gender and class Unpacking themes which focus on how femininity is embodied and how unwritten rules are broken or followed Charlotte Dann demonstrates how meaning is key to our understanding of female body art

Bodies of Inscription Margo DeMello, 2000 An ethnography of the tattoo community tracing the practice's transformation from a mostly male working class phenomenon to one adapted and propagated by a more middle class movement in the period from the 1970s to the present

Tattooing and the Gender Turn Emma Beckett, 2023-10-19 Drawing on interviews with women and queer tattoo artists from across the US UK and Australia this book explores their experiences in what has historically been a male dominated industry to reveal how tattooing has undergone a gender turn and a subsequent shift in gender relations

Inked: Tattoos and Body Art around the World Margo DeMello, 2014-05-30 In recent decades tattoos have gone from being a subculture curiosity in Western culture to mainstream and commonplace This two volume set provides broad coverage of tattooing and body art in the United States today as well as around the world and throughout human history In the 1960s tattooing was illegal in many parts of the United States Today tattooing is fully ingrained in mainstream culture and is estimated to be a multi billion dollar industry This exhaustive work contains approximately 400 entries on tattooing providing historical information that enables readers to fully understand the methods employed the meanings of and the motivations behind tattooing one of the most ancient ways humans mark themselves The encyclopedia covers all important aspects of the topic of tattooing the major types of tattooing the cultural groups associated with tattooing the regions of the world where tattooing has been performed the origins of modern tattooing in prehistory and the meaning of each society's use of tattoos Major historical and contemporary figures associated with tattooing including tattooists tattooed people and tattoo promoters receive due attention for their contributions The entries and sidebars also address the sociological movements involved with tattooing the organizations the media dedicated to tattooing such as television shows movies magazines websites and books and the popular conventions carnivals and fairs that have showcased tattooing

Tattoos, Desire and Violence Karin Beeler, 2015-01-27 Whether they graphically depict an individual's or a community's beliefs express the defiance of authority or brand marginalized groups tattoos are a means of interpersonal communication that dates back thousands of years Evidence of the tattoo's place in today's popular culture is all around in advertisements on the stereotypical outlaw character in films and television in supermarket machines that dispense children's wash away tattoos and even in the production of a tattooed Barbie doll This book explores the tattoo's role primarily as an emblem of resistance and marginality in recent literature film and television The association of tattoos with victims of the Holocaust slaves and colonized peoples with gangs inmates and other marginalized groups and the connection of the tattoo narrative to desire and violence are discussed at length
