Spanish Sentences Vol.1 Nik Marcel, Robert P. Stockwell, J. Donald Bowen, Ismael Silva-Fuenzalida, SPANISH SENTENCES Vol 1 English Spanish THIS EDITION The dual language text has been arranged into sentences for quick and easy cross referencing The text can be used on its own However the content is ideal for reinforcing grammar and as a precursor to more advanced bilingual editions This digital edition contains the content in English to Spanish and Spanish to English formats Once a student has studied the basics a suitable book about basic grammar is helpful The suggestion is that it be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning Go

through as much of the book you feel you can digest maybe even the whole book skipping over what is not easily understood Then read through a portion of text in this book looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar Even repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help Then depending on your inclination return to the grammar book or your basic Spanish book or move on to lengthier bilingual text like in 2Language Books texts containing news or stories for example or find some suitable Spanish text a simple novel a Spanish news website etc Grammar books will likely have some verb charts However there are currently good on line resources that go further dictionaries with a verb conjugation search option Many basic language books offer some form of audio support Internet services primarily news based radio stations offer podcasts Audio from television is an additional resource and can be formatted for use on various digital platforms However if audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources A Dual Language Book Project 2Language Books *Kitty Tastes a Powder* Francis Imago, 2022-05-02 Tuxedo a black and white kitten stays overnight in her new adopted mom's office located at the Genomic Institute in Woodhaven Connecticut Through circumstance and error the kitten meandered into a restricted area of the lab and ingested a Crispr formulation meant for destruction but whose identity was erased prior to disposal Professor Markus Rogers a highly respected geneticist must enlist the aid of his assistant Vanessa Vela and surveillance monitor Jexton to track and catch her Risk as to what changes will occur in Tuxedo and legal issues confront him as he weighs his options under the constraints of the No Live Animals for Research NLAR law Risking legal prosecution and professional disgrace Nessa convinces him she will be loyal The opportunity to keep Tuxedo under the radar as a rogue study is very tempting Sworn to secrecy Nessa proves her loyalty to Professor Rogers by staying silent even after his messy breakup with his live in girlfriend Janet and his trust issues because of her Janet uses Tuxedo as a pawn in her game of retribution with Markus resulting in unknown consequences Taking advantage of her temporary freedom Tuxedo falls in love with Ivan but was then brutally assaulted by the feral Whitey Pink Eyes Nessa's little sister Graciela visits while on summer break from high school in Phoenix Arizona and after arrival finds a close friend in Agnes with whom she does some experimenting which influences Graciela profoundly Alicia makes Nessa a confusing offer she must consider Markus ever the ambitious scientist accuses Nessa of deception when he finds a dummy log of Tuxedo's test results Markus and Nessa finally settle their divisive disagreement concerning Tuxedo Nessa remains faithful finally getting what she wants When working with the correct mind a seeker obtaining knowledge makes a momentous discovery and so will you after you read *Kitty*
