The Green Pope:

The Green Pope Miguel Angel Asturias,1971 The author who won the Nobel Prize for Literature tells the story of an ugly American George Maker Thompson Thompson was a pirate in the Caribbean but feels that he s wasted his time as a pirate on the sea and that making money on the water will not lead to the riches that he wants to accumulate It s not a particularly secret wisdom that those who have wealth are likely to have power too After all it s money that makes the world go round at least a materialistic world like ours Little wonder that our society produces considerable numbers of men and women whose primary goal in life is to gain money and ever more money In The Green Pope by Miguel ngel Asturias Guatemalan winner of the Nobel Prize in Literature 1967 for his vivid literary achievement deep rooted in the national traits and traditions of Indian peoples of Latin America a young American who cares for nothing but wealth and power starts a banana plantation in Guatemala mercilessly ruining driving out or even killing small local farmers and opponents on his rise Neither the suicide of his fianc the death of his wife in childbirth or the pregnancy of his unmarried daughter make him reconsider his priorities
