Jesus the Great Physician Walter Hannay,2019-02 Everyone needs a Doctor at some time even if it is just to sign a death certificate This book is written with a view of Jesus Christ as not only a Physician but the greatest Physician who ever lived Thirty seven miracles are recorded in the Gospels and as Mary Fairchild says None were performed randomly for amusement or for show Each was accompanied by a message and either met a serious human need or confirmed Christ s identity and authority as the Son of God Having been a Doctor for over forty years I have viewed the healing miracles of the Lord Jesus in the gospels under medical categories as seen from a modern classification of disease Not every miracle is therefore included only those I see in a category of disease or medical specialty I have added some relevant thoughts at times relevant to the miracle The review is limited to the four Gospels although in the first chapter of the Acts of the Apostles the Physician Luke tells us that in his Gospel he recorded the things that Jesus began both to do and teach until the day in which He was taken up verses 1 2 to Heaven He thus infers that Jesus is still doing and teaching through His Apostles in the book of Acts Two of these are mentioned briefly in the book The chapters have been arranged in chronological order rather in order of any perceived importance **A Cyclopediad of the Best Thoughts of Charles Dickens** Charles Dickens,1873 *The Great Physician* Vinton Dearing,2010-10-13 A biography of Jesus of Nazareth the greatest spiritual healer the world has ever known It includes both an original translation of the Gospel texts and extensive commentary based on 40 years of scholarship and over 80 years of life experience with spiritual healing

Great Joy Dwight Lyman Moody,1877 *The Great Physician* Vinton Dearing,2015-04-24 THE GREAT PHYSICIAN is a biography of Jesus of Nazareth It includes both an original translation of the Gospel texts and extensive commentary based on 40 years of scholarship and over 80 years of life experience with spiritual healing Because of printing constraints it is printed in two volumes which are intended to be read together Volume 1 includes the narrative Volume 2 includes footnotes and indexes Since Volume 1 is written in chronological order rather than by Gospel most readers will require the Index of Translations in Volume 2 to find specific Gospel chapters and verses Students of the Bible and anyone interested in spiritual healing will especially appreciate the well annotated and comprehensive background information about social and religious thought during Christ Jesus time as well as modern day examples of spiritual healing based on Christ Jesus teachings As a scholar and with great respect for those who hold to different religious traditions Professor Dearing strove for accuracy and clarity in representing opposing viewpoints He endeavored to write a book that is both unbiased and ecumenical so that readers can make their own judgments *The Great Physician* George Campbell Morgan,1937 **The Roll of the Royal College of Physicians of London: 1801 to 1825** William Munk,Royal College of Physicians of London,1878 *The British Drama* ,1871 *Lippincott's Monthly Magazine* ,1898 *The Great Physician* Ernest Charles Wilson,1945 **The Medical circular [afterw.] The London**
