The Great Timelink Photography Project:

The Great Time-Link Photography Project Grant Lee, 2002-09 Time travel is man's biggest mystery. But imagine if you didn't need to time travel what if the past came to you. What if you could purchase an image from the past in the form of a three dimensional being that was summoned through a small device called an epoch simulator. In the novel *The Great Time Link Photography Project* it is possible. Many years ago an alien race of ManaBayions recorded every living thing on the Earth from satellites in space and brought them to life with the help of Egyptian slaves. Today an entrepreneur named Dr Connor sells the simulators at an astonishing rate. Advanced orders are in the millions. But is recording and selling images an invasion of privacy. Join four kids Corbin, Duncan, Garrett and Bridget Sunbeam as they try to stop the evil ManaBayions and free all of the enslaved historical heroes. Experience time travel and learn history as you have never experienced it before. From the Dinosaurs to presidents from war heroes to sports idols. *The Great Time Link Photography Project* is one ride you will never forget.
