The Great Train Robbery Andrew Cook, 2013-01-01 The Great Train Robbery of 1963 is one of the most infamous crimes in British history The bulk of the money stolen equivalent to over 40 million today has never been recovered and there has not been a single year since 1963 when one aspect of the crime or its participants has not been featured in the media Despite the wealth and extent of this coverage a host of questions have remained unanswered Who was behind the robbery Was it an inside job And who got away with the crime of the century Fifty years of selective falsehood and fantasy has obscured the reality of the story behind the robbery The fact that a considerable number of the original investigation and prosecution files on those involved and alleged to have been involved were closed in many cases until 2045 has only served to muddy the waters still further Now through Freedom of Information requests and

the exclusive opening of many of these files Andrew Cook reveals a new picture of the crime and its investigation that at last provides answers to many of these questions

Rot at the Core Graham Satchwell, Winston Trew, 2021-05-07 In March 1972 four young black men were arrested by a specialist pickpocket squad at Oval Underground Station and charged with theft and assault of police officers Sentenced to two years in prison the case seemed straightforward and credible to the judge and jury who convicted them but these young men were completely innocent victims of endemic police corruption The real criminal in this case was the notorious DS Derek Ridgewell later proven to be heavily involved in organised crime Graham Satchwell at one time Britain's most senior railway detective has worked with Oval Four victim Winston Trew to reveal the rotten culture that not only enabled Ridgewell to operate as he did but also to subsequently organise major thefts of property worth in excess of 1 million Winston Trew's case was finally overturned in December 2019 but the far reaching ramifications of Ridgewell's shocking activities has irreparably damaged many lives and must never be forgotten
