## **The Greek Americans:**

**Studies on Greek Americans** George A. Kourvetaris, 1997 This reader combines theory and research in the study of Greek American ethnicity and identity It includes chapters on the histories of early and late immigrants first and second generation Greeks in Chicago Greek Orthodox and Greek American identity and Greek American entrepreneurs It also discusses continuity and change in the Greek American experience and examines the past present and future of Greek American ethnicity within the larger framework of multiculturalism The Greek Americans Alice Scourby, 1984 **Greek Americans** Peter C. Moskos, Charles C. Moskos, 2013-11-04 This is an engrossing account of Greek Americans their history strengths conflicts aspirations and contributions Blending sociological insight with historical detail Peter C and Charles C Moskos trace the Greek American experience from the wave of mass immigration in the early 1900s to today This is the story of immigrants most of whom worked hard to secure middle class status It is also the story of their children and grandchildren many of whom maintain an attachment to Greek ethnic identity even as they have become one of America s most successful ethnic groups As the authors rightly note the true measure of Greek Americans is the immigrants themselves who came to America without knowing the language and without education They raised solid families in the new country and shouldered responsibilities for those in the old They laid the basis for an enduring Greek American community Included in this completely revised edition is an introduction by Michael Dukakis and chapters relating to the early struggles of Greeks in America the Greek Orthodox Church success in America and the survival and expansion of Greek identity despite intermarriage This work will be of value to scholars of ethnic studies those interested in Greek culture and communities and sociologists and historians **THE GREEKS IN THE UNITED STATES** Theodore Saloutos, 1964 **The Greek Americans** Dimitris Monos, 1996 Examines the history and culture of Greek Americans and follows their achievements up to the present **Greek Americans** Charles C. Moskos, 1989-01-01 This is an engrossing account of Greek Americans their history strengths conflicts aspirations and contributions This is the story of immigrants their children and grandchildren most of whom maintain an attachment to Greek ethnic identity even as they have become one of this country s most successful ethnic groups **The Greeks in America** Jayne Clark Jones, 1969 Traces the history of Greek emigration from classical times to the present day with emphasis on the problems of Greek immigrants in the United States and their contributions to America s history and culture The Greek American Community in Transition John G. Zenelis, 1982 *Greek Americans* Charles C. Moskos, 2018-12-13 This is an engrossing account of Greek Americans their history strengths conflicts aspirations and contributions This is the story of immigrants their children and grandchildren most of whom maintain an attachment to Greek ethnic identity even as they have become one of this country s most successful ethnic groups **Greek Americans** Nichol Bryan, 2010-09-01 Provides an overview of the religion and culture of Greek Americans and presents some information on the history of the Greek people **The Life of a Greek American** John Antonakos, 2019-05-09 This biography is more

about the people who have surrounded me than about myself With this biography I intend to show all the following How my environment affected me as a Greek American the interplay I had with my parents who had come from Greece my parents faith and how it influenced me the difficulties Greek immigrants had and how they overcame them the strong belief a Greek immigrant had for education and how it impelled him to drive his children to get a good education the way immigrants entertained themselves with home celebrations dances and picnics and the relationship Greek Americans had with one another In summary the purpose of this biography is to show how Greek culture was established within American culture and was impressed upon me This book is built around a thread that traces the development of the life of the immigrants in America Do not look in it for the development of my life but rather look in it to see the development of the Antonakos family in America Look at the life of the Antonakoses in Mani their immigration to America and their progress in America Look at their material development and how they used it to obtain higher education for their children Then note how through the use of this education they obtained good positions in the professional world It is fervently hoped that all immigrants in America from all nations of the world will establish their culture in America as the ones who had come here earlier The greatness of America will continue to remain as long as this peaceful blending of cultures continues to occur This biography is written purely chronologically The persons places and events are recorded chronologically in my story as they actually occurred in my life Accept them as they are recorded and don t attempt to group different parts of my story together in any unique way

**The Greek Americans** ,      *The Greeks in America* J. P. Xenides, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1922 edition Excerpt Chapter III THE GREEKS IN AMERICA Continued SOCIAL CONDITIONS Improved social conditions Now as a rule people are living in more sanitary conditions than formerly Greeks like other immigrants adapt themselves to circumstances Those who arrive at any port in the United States searching for work are glad to find a place to put their head The whole family of four five or more get along for a time in one room hut as soon as they get work and improve their circumstances they seek better quarters with improved conditions of living EECBEATION Coffee houses Greeks have brought to America their customs and modes of recreation from the old country Coffee houses provide the principal recreation for men People flock to these places day and night sitting around tables sipping black coffee smoking cigars or more commonly cigarettes or the narghile and discussing everything business news of national interest and of course the politics of Greece and the attitude of Americans towards them At times they discuss American politics There are often animated discussions that might be taken for quarrels by those who do not understand Greek but it is all verbal no blows exchanged excepting the blows the tables or chairs receive Greeks like the Latin people accompany their words with multiple gestures of hands and head maybe even the foot or the whole body Games Certain games are played in almost all the coffee houses cards backgammon chess and dominoes Cards are the most common game They are often played for

pastime and recreation Gambling But unfortunately gambling is frequently connected with them Almost every answer to my questionnaire mentioned gambling as the chief evil among the Greeks in America Id *The Greeks*, 2001 *They Remember America* Theodore Saloutos, 2022-09-23 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1956 *The Greeks in America* J.
