Revenge of the Movie Monster Models Mark C. Glassy,2024-05-07 Science fiction and fantasy movies of the 20th century feature many iconic figures and monsters and the ability to create and own many of them in the form of models provides fans with an opportunity to mingle amongst the greats and not so greats This book is a collection of figures and dioramas of monsters from both science fiction and fantasy films Models are presented in chronological order decade by decade starting with films in the silent era and running through the end of the century The building and painting of the figures and dioramas of various scenes from these films some more accurately than others provides an opportunity to preserve key moments in these movies

**1999: A Space Odyssey** John K Balor,2018-08-03 Part of the premise of the online discussion transcribed in this book is how Gerry Anderson s television series Space 1999 can be understood in relation to Stanley Kubrick s 2001 A Space Odyssey by looking at both narratives through the perspective of systems theory As a result of doing so an engaged

debate concerned with the political and philosophical subtext of both stories developed This book gives a full account of the debate with summaries of ideas and insights The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at [www.lulu.com](http://www.lulu.com)

*The Epic Structure of Space 1999* John K. Balor,2018-02-18 This book contains transcripts from Online Alpha discussions where the epic and narrative structure of SPACE 1999 is being discussed by comparing episodes with themes characters and elements of plot from the Homeric Odyssey and Lewis Carroll s stories about Alice The discussion is motivated by questions raised in the scholarly literature and earlier Online Alpha debates about how to make sense of SPACE 1999 from the viewpoint of critical theory The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at [www.lulu.com](http://www.lulu.com)

**Routledge Handbook on Tourism in the Middle East and North Africa** Dallen Timothy,2018-12-07 The Routledge Handbook on Tourism in the Middle East and North Africa examines the importance of tourism as a historical economic social environmental religious and political force in the Middle East and North Africa MENA It highlights the ecological and resource challenges related to water desert environments climate change and oil It provides an in depth analysis of the geopolitical conditions that have long determined the patterns of tourism demand and supply throughout the region and how these play out in the everyday lives of residents and destinations as they attempt to grow tourism or ignore it entirely While cultural heritage remains the primary tourism asset for the region as a whole many new types of tourisms are emerging especially in the Arabian Gulf region where hyper development is closely associated with the increasingly prominent role of luxury real estate and shopping retail medical tourism cruises and transit tourism The growing phenomenon of an expatriate workforce and how its segregation from the citizenry creates a dual socio economic system in several countries is unmatched by other regions of the world Many indigenous people of MENA keep themselves apart from other dominant groups in the region although these social boundaries are becoming increasingly

blurred as tourism being one socio economic force for change has inspired many nomadic peoples to settle into towns and villages and rely more on tourists for their livelihoods All of these issues and more shape the foundations of this book This Handbook is the first of its kind to examine tourism from a broad regional and inclusive perspective surveying a broad range of social cultural heritage ecological and political matters in a single volume With a wide range of contributors many of whom are natives of the Middle East and North Africa this Handbook is a vital resource for students and scholars interested in Tourism Middle East Studies and Geography     *Gender in Science Fiction Films, 1964-1979* Bonnie Noonan,2015-06-15 The 1950s era of science fiction film effectively ended when space flight became a reality with the first manned orbit of Earth in 1962 As the genre's wildly speculative depictions of science and technology gave way to more reality based representations relations between male and female characters reflected the changing political and social climates of the era Drawing on critical analyses film reviews and cultural commentaries this book examines the development of science fiction film and its representations of gender from the groundbreaking films of 1968 including 2001 A Space Odyssey Barbarella and Planet of the Apes through its often overlooked Middle Period which includes such films as Colossus The Forbin Project 1970 The Stepford Wives 1975 and A Boy and His Dog 1975 The author examines intersections of gender and race in The Omega Man 1971 and Frogs 1972 gender and dystopia in Soylent Green 1973 and Logan's Run 1976 and gender and computers in Demon Seed 1977 The big budget films of the late 1970s Close Encounters of the Third Kind Alien and Star Wars are also discussed
