**The Parallel Stories of Joseph and Jesus** Grady Laxson, 2006-02-01 God's Signs and Wonders Do they reveal prophesy Do they clarify doctrine Do they predict the nation of Israel turning to Christ Do they foretell of Egyptians turning to Christ Do they vindicate the sonship of Jesus Christ Do they validate or refute the Trinity In this eye opening novel join journalist C H Roland as he goes on an amazing out of body trip to various Old and New Testament times and places where he discovers new ways to understand God's amazing signs and wonders C H witnesses shocking events that happened in ancient Egypt which reveal God's irrefutable messages for mankind Along the way C H discovers numerous points of congruency between the stories of Joseph and Jesus two men who lived thirty nine generations apart yet have much in common **Olivet**

**Discourse Decoded** Thomas Lynn Burrows, 2025-01-22 Jesus speaks in parables they are also riddles You need the Holy Spirit's guidance to be shown that riddle Luke 8:17 says For nothing is secret that shall not be made manifest neither anything hid that shall not be made known and come abroad This will happen in Christ's timing this being on the cusp of these things occurring Christ is making these riddles known The scripture is a riddle and I will show you that I have been chosen to show you the true meaning of the Olivet Discourse Matthew chapter 24 Mark chapter 13 and Luke chapter 21 all the same story with a bit of twist This book singles out Matthew chapter 24 Timothy LaHaye with the Left Behind series shows us the events after the Rapture This book shows you that the Rapture is eminent or nigh The truth was revealed with confirmation Just as Thomas needed confirmation **A History of the Jewish People in the Time of Jesus Christ** Emil

Schürer, 1896 *Beyond Coincidence* Randy Vaughan, 2018-04-26 All of us are familiar with coincidence We routinely define a coincidence as the seeming connection of unrelated events Coincidences are quite common in fact but at what point do the odds of a supposed coincidence become so utterly unlikely as to be determined impossible So impossible in fact that any reasonable person must admit that something more than coincidence is at work Some plan some mind someone Someone indeed Follow along and explore the lives of two prominent figures from the pages of the Bible The lives of these two separated by many centuries in historical time parallel so closely in dozens of ways that the likelihood it could have been by accident by chance is well BEYOND COINCIDENCE The implications of the undeniable truth of this coincidence cannot be overstated and most certainly will draw you closer to Jesus in a way that likely you have not encounter before **A**

**Dictionary of Christ and the Gospels** James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as

articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

**Mark (Understanding the Bible Commentary Series)** Larry W. Hurtado, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series The Life of Christ: book 1. The sources. book 2. Price, 2023-02-23 What if we have been missing a whole stage of how the canonical gospels came to be What if there were a whole raft of prior Jesus narratives whether written or oral the fragmentary vestiges of which now appear in Matthew Mark Luke and John This would explain why these gospels seem over crowded with incompatible understandings of Jesus Christologies In *The Gospels Behind the Gospels* innovative biblical scholar Robert M Price attempts to reassemble the puzzle pieces disclosing several earlier gospels of communities who imagined Jesus as the predicted return of the prophet Elijah the Samaritan Taheb a second Moses a resurrected John the Baptist a theophany of Yahweh a Gnostic Revealer a Zealot revolutionary etc As these various sects shrank and collapsed their remaining followers would have come together just as modern churches and denominations seek to survive by merging and consolidating Our canonical gospels might be the result Similarly Price explores the possibility that Paul Apollos Cephas and Christ listed as if on a par in 1 Corinthians 1 12 were originally figureheads of rival sects who eventually merged in much the same way You will never read the gospels the same way again
