## **The Passover Passage:**

**The Sanctuary of Silence** Israel Knohl, 2007 Scholar Israel Knohl offers a new perspective on the history and theology of the Priestly source of the Pentateuch Knohl claims that groups associated with the Priestly Torah appear ensconced within the Temple operating within a Sanctuary of Silence in contrast to the later Holiness School which reached a loftier conception of God and a broader purview of faith holiness and practice

**Origins of New Testament Christology** Stanley E. Porter, Bryan R. Dyer, 2023-03-21 The early followers of Jesus drew from Jewish and Greco Roman traditions and titles to help them understand and articulate who Jesus was This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament Lord Son of Man Messiah Prophet Suffering Servant Son of God Last Adam Passover Lamb Savior Word and High Priest The authors trace the history of each title in the Old Testament Second Temple literature and Greco Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new significance in light of Jesus Christ This accessible and up to date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God In the process it will help readers appreciate the biblical witness to the person of Jesus
