Loren Sandford, 2007-06-01 Prophecy is cherished by many as one of the fivefold ministry gifts described in Ephesians 4:11 and foundational to the life of the church Yet prophetically gifted people have a reputation of being different and difficult to live and work with Understanding Prophetic People written by a prophetic pastor who grew up as the son of a prophetic pastor and leader helps readers better understand relate to and even minister to prophetically gifted people R Loren Sandford answers fascinating questions such as What is it like to grow up as a

prophetically gifted person What is the difference between adrenaline and anointing Who validates authentic prophetic ministry How does a pastor rightly relate to a prophet This rich resource seeks deeper understanding and wisdom on issues of foundational importance for prophetic people and everyone who loves God's gifts *Who Owns Your Soul?* Doreen C. Mampani, 2012-09 Our Lord Jesus Christ asked this questions which is so relevant today when people do not hesitate to sell their souls to Satan for wealth fame power beauty and control over others witchcraft Matthew 16:26 For what is a man profited if he shall gain the whole world and lose his own soul or what shall a man give in exchange for his soul Our Lord Jesus Christ asked me this question and I cried for few days This time 2011 my husband and I lost almost everything from a comfortable life to a life of debts poverty shame suicidal thoughts mockery no food name calling some confessing Christians called me a demon Satan witch and all offending names you can imagine Choosing to follow Lord Jesus Christ is choosing life I chose Lord Jesus Christ not for wealth fame power possession or material but because I need Him my soul just cannot do without its Master The book you are about to read is based on my life story of how Satan is deceiving people The idea of writing this book was after discussing my background and experience with various people from different backgrounds race colour and gender both from South Africa and Africa I believe in Jesus Christ with all my heart body and soul This is a battle plan to destroy and dispossess death poverty and destruction in Africa and the world You may ask why Satan is so much after souls human beings That is because that has been his aim since his fall Who does your soul belong to All souls humans belong to God of Heaven With my background when I pray I say God of Heaven Jesus Christ I have to be specific due to the kind of challenges I experience when I pray When I prayed and said God Satan would challenge and asked which one do you refer to In this book I will discuss witchcraft I experienced Witchcraft has been there since Old Testament time We read scriptures such Nahum 3:4 Because of the multitude of the whoredoms of the well favoured harlot the mistress of witchcrafts that selleth nations through her whoredoms and families through her witchcrafts In the New Testament for example we read in Acts 8:9 But there was a certain man called Simon which beforetime in the same city used sorcery and bewitched the people of Samaria giving out that himself was some great one I will give as much details as possible to help the reader to identify arrears that the enemy is controlling your own life so that you can pray or have a Pastor to pray for you for God Almighty to destroy the strongholds of Satan We are living in times when people are daring to oppose God Almighty publicly without fear Does God not hear or see Oh He does Why do we challenge such a loving caring God of Heaven who created us in His own image with so much unconditional love It's because of rebellion towards our Maker one of Satan's goals against the Almighty God Satan hated human beings since the creating of Adam and Eve His aim since then has been to turn human beings against our Creator He tries to make God appear unfair he said in Gen 3:4-5 then the serpent said to the woman you will not surely die for God knows that in the day you eat of it your eyes will be opened and you will be like God knowing good and evil Satan made it appear as if God was depriving Adam and Eve from being like God from knowing good and evil Today Satan

still uses his tricks to deceive people to want to be like God Promising that he can give power control wealth fame beauty access to everything that the individual desire He does not tell the person though that he Satan takes the soul in exchange of these things I don t want to be associated with Satan neither any of his demons principalities and powers I love Lord Jesus Christ with my entire being I will mention some of the numbers used by Satan especially number 11 Remember is God of Heaven who created days weeks months and years and numbers not Satan Sata **The Christian Pastor and the Working Church** Washington Gladden,1898 Church Prophets Paula A. Price,2001 God is reinstating the office of the prophet in today s New Testament Church With the face of the occult on an increasing rise church officials have questions concerning the office of the Prophet and its modern day functions in the local church They regularly discuss how to engage prophets in the church without surrendering authority over their sheep and control of the church s mandate Church Prophets shows how churches can actually multiply their harvests through a quality prophetic institution It is an indispensable tool for the pastor wanting to know how to comply with the Lord s new and insistent move Church Prophets helps to enable pastors to evaluate prophetic messengers that they engage with and confirm their eligibility before they present them to their congregation It is essential for any prophetic educator minister or trainer The pastor or teacher will find that this book contains sound and balanced guidelines for the institution and regulation of the officer in the churches of God using His wisdom Church Prophets also touches on other prophetic themes such as the godly church prophet prophetic protocols parameters limits and government but the common recurring theme of this book is the importance of quickly establishing a functional pastor prophet relationship **Paying the Pastor** James Beaty,1885 **Understanding the Prophetic Nature** John T Reagan,2013-07 Prophets seem to be popping up everywhere This is to be expected since as we near the time of Jesus second coming He is restoring to the church ministries that seemed to disappear only a few short centuries after the church began In recent years this restoration has been especially true of the office of the prophet Do you know people who seem to be gifted in the prophetic ministry What makes them tick Why do they sometimes misbehave in the church Especially concerning is that they sometimes conflict with pastors Somehow two ministries that God intended to complement each other are instead at odds That is not a good thing Understanding the Prophetic Nature takes a look at the spiritual foundations from which the prophetically gifted person operates explores the prophet s basic nature delves into his special relationship with God and seeks to bridge the divide that far too often stands between the pastor and the prophet In the process this book covers enriching topics such as the charismatic and motivational gifts of the Spirit as well as the fivefold ministry gifts and how they operate in the church Giving glory to God throughout the text using creative examples endearing stories and relevant scriptures the author connects the various themes of the book creating an unforgettable read John T Reagan was raised on a small farm in the mountains of Southern Idaho After graduating high school he obtained his Bachelor of Science degree in mathematics and went on to teach in the secondary public schools He and his wife Ruth raised and homeschooled

two awesome sons Besides teaching school John pastored two small rural churches in the Pacific Northwest as well as a church plant in Butte Montana where they currently reside **The Minister as Prophet** Charles Edward

just go from fad to fad with nothing followed through to completion Many churches have to obtain a vision by copying other successful churches The Bible says that without a vision the people will perish Prov 29 18 A dearth of prophets has caused a lack of vision in the church The church needs prophets to give a clear call to battle It is currently losing the battle because it does not have a focused strategy A great babble of voices all claim to have the truth and Christians are tossed around by every new wave that comes along A clear prophetic voice is needed to prepare the church for victory The most urgent need of the modern church is for the restoration of the prophetic ministry In recent years the gift of prophecy has been rediscovered but there is still a desperate shortage of prophets The church will not come to true maturity until prophets are being raised up among God s people The prophetic ministry is a fundamental aspect of the eldership Without a prophet a church will be weak in vision and at risk of sinfulness The reason we have so many immature and weak churches is that prophets are missing from their leadership Likewise without an evangelist the church will not grow The main reason that the prophetic ministry is not functioning in the modern church is that most churches are led by a pastor leader so most prophets have had to become pastors to find a place of ministry This is not a solution because the church operates best when elders are functioning in their true ministry and not trying to be something they are not All of the ascension ministries of leadership are needed for a church to grow to maturity The prophetic ministry must be part of the foundation of the church Without a prophet a church will be prone to sin A strong church needs the righteousness that only comes when prophets are present The modern church has millions of pastors but only a few prophets This serious imbalance has severely weakened the body of Christ My Experience of the Catholic Apostolic Church H. M. Prior,1880 **Commentary on the Gospel of Matthew**

John Albert Broadus,1886 **The Book of the Prophet Jeremiah** Carl Wilhelm Eduard Nägelsbach,1871 **On Moral Medicine** M. Therese Lysaught,Joseph Kotva,Stephen E. Lammers,2012-07-20 In print for more than two decades On Moral Medicine remains the definitive anthology for Christian theological reflection on medical ethics This third edition updates

and expands the earlier awardwinning volumes providing classrooms and individuals alike with one of the finest available resources for ethics engaged modern medicine **The Church of England Pulpit, and Ecclesiastical Review** ,1895

Introduction to the Book of Isaiah Thomas Kelly Cheyne,1895 Prophetic Integrity R.T. Kendall,2022-05-17 What happens when prophets are wrong In 2020 many Christians claiming to be prophets said God told them that Donald Trump would be re elected as president Over thirty years before that one the famous Kansas City Prophets Paul Cain prophesied that there would be a revival in London in 1990 which never came to pass These examples make us wonder What happens when prophets get it wrong Are there consequences for misleading God s people What would a genuine prophet look like today And how can you tell a false prophet from a genuine one In recent years misjudgments among Charismatic Christians claiming to speak for God as well as moral failures within Evangelicalism have resulted in a crisis of belief In Prophetic Integrity bestselling author and speaker R T Kendall gives a warning to those speaking in God s name and offers a way forward in trusting God despite the failures of the church To unpack this difficult topic Kendall a self described Reformed charismatic relates accounts of visions and supernatural experiences and shares stories and thoughts about Christian leaders that he knew personally such as Paul Cain and Ravi Zacharias He gives examples of good and bad prophecies and teaches a biblical and theologically sound understanding of prophetic gifting and use Prophetic Integrity is a book for those who believe that God still speaks today but have serious questions about those within the church that identify as prophets It s a call for honesty vulnerability and repentance and it speaks to Christians of many different traditions including Charismatic and Evangelical Discerning Christians of many different traditions can and must take both God s word and the gift of prophecy seriously and recognize how humans can abuse such gifts or use them to advance God s Kingdom
