The Peninsula Portrait Of A Grand Old Lady:

The Peninsula ,1997 **The Peninsula** ,1997 *Streets* Jason Wordie,2007-01-01 The book starts with a district familiar to all visitors Tsim Sha Tsui but then moves into the hinterland of Kowloon taking the reader and walker far beyond the well known streets of tourist oriented shops and hotels *Streets Exploring Kowloon* like its companion *Streets Exploring Hong Kong Island* guides the reader with maps and travel information to take 45 walks throughout Kowloon each along a specific street pointing out historically and culturally important sites but also the curious and the intriguing *Let There Be Light* Mark L. Clifford,2023-07-18 The remarkable success of twentieth century Hong Kong was driven by electricity The British colony s stunning export driven economic growth its status as a Cold War capitalist dynamo its energetic civil society its alluring urban modernity all of these are stories of electricity s transformative power *Let There Be Light* is a groundbreaking history of electrification in Hong Kong Mark L Clifford traces how a power company and its visionary founder jumpstarted Hong Kong s postwar economic rise and set in motion far reaching political and social change against the backdrop of Hong Kong s shifting relations with the People s Republic of China and the United Kingdom Clifford examines avowedly laissez faire Hong Kong s attempt to nationalize electricity companies and the longer term implications of debates over the power supply for citizen activism and the development of civil society government involvement in tackling housing and other social issues and state controls on private businesses Clifford explores the effects of electrification on both grand politics and daily life In the geopolitical struggle of the Cold War Hong Kong became an explicitly anti Communist showcase of production and consumption Its bright lights and neon signs stood in contrast to the darkness and drabness of neighboring China Electricity transformed people s everyday lives allowing children to study at night streets to be lit and shops in a self consciously commercial mecca to stay open late Offering new perspectives on twentieth century Hong Kong *Let There Be Light* reveals electricity as a catalyst of modernization *Asian Hotel & Catering Times* ,1997 **Portrait gallery of eminent men and women of Europe and America** Evert A.
