PARTY IN ISRAEL, A.D. 36-66

HUGH J.
SCHONFIELD

The Pentecost Revolution

Darryl Fitzwater

The Pentecost Revolution:

The Pentecost Revolution Hugh J. Schonfield, In this scholarly yet readable book Schonfield tries to unravel the mysteries behind the development of early Christianity in the thirty years between the crucifixion of Jesus and the Fall of Jerusalem It builds on the famous work *The Passover Plot* by the same author It is a companion reader also to *Those Incredible Christians* and *The Politics of God* and provides challenging insights into a world we thought we understood *The Pentecost Revolution* Hugh Joseph Schonfield, 1985 *The Pentecost Revolution* Hugh J Schonfield, 2020-06-05 Once you've read the *Passover Plot* and *Those Incredible Christians* you'll want to read this incredibly erudite work by Schonfield which takes the readers to the events inspired by the Pentecost experience **Hugh Schonfield** Owen Power, 2013-03-13 With this book Owen Power offers the first full length intellectual history of the thinker Hugh Schonfield 1901-1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield's case both reinforces such convictions and problematizes them **The Secret Legacy of Jesus** Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother of Jesus the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul's desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey Bütz author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* Bütz demonstrates how this centuries old underground stream of Christ's original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles

rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world Mysteries of the Bridechamber Victoria LePage,2007-11-12 Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions particularly in the sacrament of marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation **Pentecost Revolution 74** Hugh Joseph Schonfield,1974 **The Miracles of Missions** Arthur T. Pierson,1899 **Theology and Migration** Ilsup Ahn,2019-08-26 In an age of global migration how should Christian theologians and church leaders respond to its various challenges and problems What is a fundamental theological framework with which we are to engage in them In this volume Ilsup Ahn attempts to answer these questions by presenting a Trinitarian theology of migration In doing so he first provides an overview of recent theological works on migration by introducing their key theological insights A Trinitarian theology of migration becomes possible as we begin to see that the three Sacred Persons the Son the Father and the Holy Spirit are distinctively yet intrinsically involved with the phenomenon of human migration within God s grand vision of liberation and redemption From a Trinitarian theological perspective in all stages of human migration from taking leave to getting integrated migrants and citizens are called to join in God s liberative and redemptive works for all the people of God **De vlucht van de Christenen naar Pella** Jozef Verheyden,1988 **De vlucht van de Christenen naar Pella** ,1972

General Council,1892 **The Missionary Review of the World** ,1895 **Jesus** Hugh Joseph Schonfield,2004 This is the story of an eminent scholar s search for the historical Jesus and the Jewish origins of Christianity Permeated throughout by deep sincerity and love of the subject this inquiry not only places Jesus firmly among his own people and background thereby clarifying his actual religious beliefs but also summarizes the essence the sources for the Gospels This analysis explains the meaning of the terms messiah and messianic discusses the authorship of St John s Gospel and above all shows the interpolations and misrepresentations in the Gospels that have been responsible for centuries of persecution of the Jewish people The last and third biography of Jesus by this author this culmination brings more than 60 years of research into the life of Jesus full circle **Homiletic Review** ,1889
