## **The Peregrines Saga:**

**The Peregrine Falcon** Derek Ratcliffe, 2010-06-30 The first edition of *The Peregrine Falcon* was widely recognised as a classic of its kind documenting not only the species biology but also the sad tale of its decline due to the impact of pesticides This extensively revised and enlarged second edition takes full account of important new developments in the story of this bird during the intervening 12 years It reports one of the few notable successes in wildlife conservation the full restoration of British and Irish Peregrine populations and their appreciable recovery in other countries where numbers had also been greatly reduced by the impact of organochlorine pesticides The pattern of increase in Britain has been extremely varied from districts where numbers are now far higher than at any time in recorded history to others where the bird is now at its lowest ebb The examination of the reasons for these differences helps us to understand the most recent developments in the Peregrine saga Particular attention has been paid to the recent major advances in our knowledge of Peregrine biology such as its movements population turnover food and nesting habits Many of the tables and figures have been revised and brought up to date so that this volume like its predecessor is once again by far the most detailed and readable reference on this most evocative of birds Donald Watson's colour paintings monochrome washes and line drawings and the original photographs illustrate the book as before Cover illustration by Donald Watson "Taking Flight: The Fascinating Saga of the Birds of Prey" RUBENS SILVA RUBENS SILVA, 2043-01-01 Introduction Enter the fascinating world of birds of prey where majestic creatures take flight in search of prey challenging the limits of the sky and awakening our renewable energies Amid feathers that glisten in the sunlight the book *Birds of Prey Treasures of Heaven* invites you to explore the life and history of these magnificent birds revealing their secrets and mysteries With unique skill author Rubens Silva presents us with a carefully edited work that captivates from the first page His expert knowledge of the raptor kingdom is evident in every detail enriching the narrative and transporting us into a universe of wild beauty and imposing strength Within the pages of this book you will find a vivid description of each species accompanied by stunning photographs that capture the essence and splendor of these incredible birds Through the author's expertly chosen words and palpable passion we are taken on an exciting journey through the natural habitats of birds of prey exploring their behaviour diet and happiness with the environment Prepare to be swept up in surprising stories and astonishing discoveries about these winged creatures *Birds of Prey Treasures of Heaven* is an irresistible invitation to marvel at the grandeur of nature and become aware of the importance of preserving these magnificent species Author Rubens Silva presents us with a remarkable work which combines scientific knowledge and passion awakening in us the need to protect and celebrate the diversity of life Therefore immerse yourself in this captivating reading let yourself be enchanted by the dazzling images and allow yourself to be led by the universe of birds of prey Author Rubens Silva invites us to witness the grandeur of the winged kingdom where majesty and freedom meet in full flight The Author [The Peregrine's Saga](#) Henry Williamson, 1923 **The Endangered Species Act**
