help students integrate these diverse viewpoints in the *Tying it Together* feature. The *Controversies in Abnormal Psychology* spotlighting controversies encourages students to think critically about these important issues and examine different points of view. The *Controversies in Abnormal Psychology* feature includes several critical thinking questions that challenge students to think further about the issues discussed in the text. The *Understand Diversity* and *Integrating Diversity* features examine abnormal behavior patterns in relation to factors of diversity such as ethnicity, culture, gender, sexual orientation, and socioeconomic status. Students need to understand how issues of diversity affect the conceptualization of abnormal behavior as well as the diagnosis and treatment of psychological disorders. The *Engage* and *Students A Closer Look* features provide opportunities for further exploration of selected topics that reflect contemporary issues and concerns. Many of these features enable students to apply information in the text to their own lives. The *Support* and *Instructors* features provide a full set of supplements including MyPsychLab, which provides instructors with all the resources and support they need.
