Struggling in the Land of Plenty Anne R. Roschelle,2019-09-10 At the conclusion of the twentieth century the US economy was booming but the gap between the rich and poor widened significantly in the 1990s poverty rates among women and children skyrocketed and there was an unprecedented rise in familial homelessness Based on a four year ethnographic study Anne R Roschelle examines how socially structured race class and gender inequality contributed to the rise in family homelessness and the devastating consequences for parents and their children Struggling in the Land of Plenty analyzes the appalling conditions under which homeless women and children live the violence endemic to their lives the role of the welfare state in perpetrating poverty and their never ending struggle for survival

On Your Own without a Net D. Wayne Osgood,E. Michael Foster,Constance Flanagan,Gretchen R. Ruth,2008-09-15 In the decade after high school young people continue to rely on their families in many ways sometimes for financial support sometimes for help with childcare and sometimes for continued shelter But what about those young people who confront special difficulties during this period many of whom can count on little help from their families On Your Own Without a Net documents the special challenges facing seven vulnerable populations during the transition to adulthood former foster care youth youth formerly involved in the juvenile justice system youth in the criminal justice system runaway and homeless youth former special education students young people in the mental health system and youth with physical disabilities During adolescence government programs have been a major part of their lives yet eligibility for most programs typically ends between the ages of eighteen and twenty one This critical volume shows the unfortunate repercussions of this termination of support and points out the issues that must be addressed to improve these young people s chances of becoming successful adults
