Albion's Glory Stephen H. Smith,2022-01-12 My book begins with a brief consideration of what we mean by English music and what factors are involved I explain the reasons behind my choice of composers for consideration and for the omissions from the survey *Contemporary Music and Spirituality* Robert Sholl,Sander Van Maas,2016-08-12 The flourishing of religious or spiritually inspired music in the late twentieth and early twenty first centuries remains largely unexplored The engagement and tensions between modernism and tradition and institutionalized religion and spirituality are inherent issues for many composers who have sought to invoke spirituality and Otherness through contemporary music *Contemporary Music and Spirituality* provides a detailed exploration of the recent and current state of contemporary spiritual music in its religious musical cultural and conceptual philosophical aspects At the heart of the book are issues that consider the role of secularization the claims of modernity concerning the status of art and subjective responses such as faith and experience The contributors provide a new critical lens through which it is possible to see the music and thought of Cage Ligeti Messiaen Stockhausen as spiritual music The book surrounds these composers with studies of and by other composers directly associated with the idea of spiritual music Harvey Gubaidulina MacMillan P rt Pott and Tavener and others Adams Birtwistle Ton de Leeuw Ferneyhough Ustvolskaya and Vivier who have created original engagements with the idea of spirituality *Contemporary Music and Spirituality* is essential reading for humanities scholars and students working in the areas of musicology music theory theology religious studies philosophy of culture and the history of twentieth century culture
