Taxi Driver Wisdom:

Taxi Driver Wisdom, 2016 New York cab drivers are the world's most accessible source of truth and wisdom

Introduction *Taxi Driver Wisdom* Risa Mickenberg, 2016-07-19 Insights on love, pleasure, fate, and other topics collected from conversations with New York City cabbies. AM New York: The worse a town's economy is, the better looking the guys who work at the local gas station are. I see more of what is going on around me because I am not concerned with finding a parking place. There is no chivalry. For that, you have to go upstate. Real taxi drivers know more than how to get you there without a GPS; often they know how to get you there in life. This twentieth anniversary edition of the wise and hilarious classic as true now as ever is a celebration of the witty philosophical perspective on human nature culled from real quotations from real cab drivers who've been around the block.

8pak Taxi Driver Wisdom Risa Mickenberg, 1996-04-01 Hail a taxi cab, open the door to a burst of easy listening music, breathe in the poppy air freshener, lean over the seat and say hello to the next Jean Paul Sartre or Kahlil Gibran. *Taxi Driver Wisdom* takes readers behind the Plexiglass curtain with pearls of wisdom from the most multicultural, multiethnic, multireligious group of philosophers ever assembled: New York Cab drivers. Atmospheric black and white photographs are paired with pithy quotes from downtown Descartes and freeway Foucaults and bound with a faux leather cover just like the finest cab upholstery. Cheaper than an ashram and less of a hassle than Freudian analysis, *Taxi Driver Wisdom* is the shortest possible route to enlightenment. You may never want to take the bus again.

Taxi Driver Wisdom: 20th Anniversary Edition Risa Mickenberg, 2016-07-19 Real taxi drivers know more than how to get you there without a GPS. Philosophers all: they know how to get you there in life. This 20th anniversary edition of the wise and hilarious classic as true now as ever is a celebration of the witty philosophical perspective on human nature culled from real quotations from real cab drivers who've been around the block. On reading the signs: If a man keeps telling you he loves you over and over, then something is wrong. On vanity economics: The worse a town's economy is, the better looking the guys who work at the local gas station are. Evocative black and white photos and a cab dash padded cover with taxi yellow page edges showcases the wisdom in style.

Taxi! Graham Russell Gao Hodges, 2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics. Princeton University Industrial Relations Section. Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's *Taxi* is a remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent

contractor model that is the cornerstone of Uber and the gig economy Hodges argues that the explosion of for hire vehicles in Manhattan reversed decades of environmental anti congestion efforts He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies Whether or not you ve ever hailed a cab on Broadway Taxi provides a fascinating perspective on New York s most colorful emissaries Black Cab Wisdom Mark Solomon,2011-07-04 In 2009 London cabbie Mark Solomon began asking passengers in the back of his taxi for a random quote or proverb The project developed into a popular website [www blackcabquotes com](http://www.blackcabquotes.com) and this pocket sized book offers the best thoughts for the day ranging from the truly philosophical to the downright bizarre *The Ghost of Madame Curie* James Piazza,2022-06-29 James Piazza is a Western New York based archivist and music historian He developed a series of multimedia presentations on experimental music ambient sound archival techniques for digital audio and lectures on personal media servers for large file libraries His primary goal is to create a greater public understanding and awareness of 20th century music and sound Piazza founded Innerspace Labs as an independent music archive chiefly communicating with the public via The Innerspace Connection music blog He manages a library of over 300 000 soundworks focusing on ambient and experimental recordings This book comprises the first 12 years of our publications showcasing highlights of the Archive as well as select previously unpublished works **Handbook of Experimental Game Theory** C.
