

GREY WITCH

Grey witches greatly value magical and spiritual balance not only in their craft but in their life. They are neutral.

The secret to practicing grey witchcraft is to keep your power in balance. Grey witches recognize that to be whole, they must embrace both positive and negative energy.

glossed over with various books geared gingerly towards protection magic These books though informative and well written
as they may be have totally missed the spirit of the gray witch who she really is how she relates to the world of shadow and
light and exactly what she s willing to do to stand her ground In our society dark is automatically viewed as evil and light is
automatically viewed as good We re expected to live completely within one realm and to totally avoid the other This creates
imbalance and is a great injustice to the true spirit of the ancient wise woman This book puts matters to right and gives the
public a view of just what the gray witch is and what she isn t The gray witch does not live in a world of chaos or unbridled
black magic She has a code of honor a sense of propriety and a relevance in today s society
