ingenious talents to oppose the pastors fundamentalism and prevent his wifes seduction Showing greater sympathy than her husband Lisa finds a wiser tolerance than she expected in her search for faith while battling with herself her husband and her pastor to preserve her marriage Rich in wit and irony elegant style and searing love the novel makes the battle of its central characters a microcosm of our modern world In summary The Pagan in the Pulpit uses its irreverence to honor faith while freeing what we love from fundamentalism and seduction    **Age-temptation of American Christians ,1880**
