## **The Great Blowout:**

**The Great Bridge** David McCullough, 2001-06 First published in 1972 The Great Bridge is the classic account of one of the greatest engineering feats of all time Winning acclaim for its comprehensive look at the building of the Brooklyn Bridge this book helped cement David McCullough's reputation as America's preeminent social historian Now The Great Bridge is reissued as a Simon Schuster Classic Edition with a new introduction by the author This monumental book brings back for American readers the heroic vision of the America we once had It is the enthralling story of one of the greatest events in our nation's history during the Age of Optimism a period when Americans were convinced in their hearts that all great things were possible In the years around 1870 when the project was first undertaken the concept of building a great bridge to span the East River between the great cities of Manhattan and Brooklyn required a vision and determination comparable to that which went into the building of the pyramids Throughout the fourteen years of its construction the odds against the successful completion of the bridge seemed staggering Bodies were crushed and broken lives lost political empires fell and surges of public emotion constantly threatened the project But this is not merely the saga of an engineering miracle it is a sweeping narrative of the social climate of the time and of the heroes and rascals who had a hand in either constructing or obstructing the great enterprise Amid the flood of praise for the book when it was originally published Newsday said succinctly This is the definitive book on the event Do not wait for a better try there won't be any

**The Messy Truth** Alli Webb, 2023-11-14 You can be raw real and messy and still build a successful career and life In this entrepreneur's memoir Alli Webb invites you into her world as a businesswoman a mother and a partner untangling her complicated journey with the wit and humor of a talented storyteller and the authentic wisdom of a woman who's been through it all all the success and all the chaos When Drybar and its world famous blowouts took off seemingly overnight she found herself surrounded by celebrity clients like Zooey Deschanel Jennifer Garner Gwyneth Paltrow and Julia Roberts She was named to multiple prestigious business lists published a New York Times bestselling book all before she turned forty But it wasn't until her marriage fell apart her teenage son entered rehab unexpectedly and she no longer found meaning in the wildly successful business she had built that Alli realized she was spiraling into deep depression She'd lost sight of what

made her happy in favor of an aimless push to succeed above all Something had to give Piece by piece Alli began to reinvent her personal and professional life with the goal of accepting her messy truth She learned how to embrace the honest in lieu of the perfect and realized that most of life happens somewhere in the middle between the laughter and the tears

Empowering insightful and bravely honest The Messy Truth will encourage you to find your own unique path to success and to understand its darker side as you learn to embrace the mess of life      **Newspaperdom** ,1900      *The Writings and*
