## **The Greatest Question:**

**The Great Question** Reverend John Furniss C.S.S.R., Aeterna Press, A SOUL How wonderful the soul is There is something in the soul which strikes fear and dread into the beasts of the earth and the fowls of the air Gen ix 2 The soul is the very image and likeness of God himself The soul is a spirit like God The soul like God is one yet there are three great powers in the soul will memory and understanding as there are three persons in God Father Son and Holy Ghost Your soul does not wear away like the rocks which are the foundations of the earth Your soul does not fade away like a flower or as the leaves drop off the trees in the autumn or as the colors of the rainbow melt away from our sight Your soul will not be nailed down in a coffin or buried in the grave when the body dies the soul will not die but it will go out of this world to the God who gave it Ecc xiii Aeterna Press

Answering the Ultimate Question Richard Owen, Laura L. Brooks, PhD, 2008-11-24 Fred Reichheld's 2006 book *The Ultimate Question* that question being How likely is it that you would recommend this company to a friend or colleague challenged the conventional wisdom of customer satisfaction programs It coined the terms bad profits and good profits and pointed to a faster much more accurate way of gauging customers real loyalty to a company introducing a quantitative measure the Net Promoter Score for establishing a baseline and effectively tracking changes going forward Richard Owen and Laura Brooks are co developers along with Reichheld of the methodology behind answering the question In this book Owen and Brooks tell how based on a variety of real case studies to actually embed Net Promoter discipline in organizations of all types

**Beyond the Ultimate Question** Bob E. Hayes, 2009-05-04 Business growth depends on more than asking a single question Challenging the widely touted Net Promoter Score NPS claims author Bob E Hayes provides compelling evidence that to grow their business companies need to look beyond this simple question to efforts on improving the entire customer feedback program CFP First customer loyalty consists of three components advocacy purchasing and retention each providing unique and useful information regarding future business growth By measuring these three components of customer loyalty companies will be better able to manage their customer relationships to maximize growth through new and existing customers Second because of the diverse business practices companies can employ with respect to their CFPs there are hundreds of different ways a company can structure its particular program Some companies have top executive support for their programs while others do not Some companies integrate their customer feedback data into their daily business processes while others keep them separate Some companies use customer feedback results as part of their employee incentive programs while other companies rely on more traditional incentive programs Still some companies conduct in depth customer research using their feedback data while others rely on basic reporting of their customer

feedback data for their customer insight But are there critical elements of a customer feedback program that are absolutely necessary for its success Can a company exclude some elements from its program without adversely impacting its effectiveness How important are certain components in increasing customer loyalty This book answers these questions It is a direct result of the author s scientific research and professional experience in the field of customer satisfaction and loyalty This book represents the first scientific study that has tried to identify the best practices of customer feedback programs Hayes formally collected information from many CFP professionals regarding how they structure their CFPs and identified specific CFP practices that lead to higher levels of customer loyalty Additionally he worked first hand with employees from Microsoft Oracle Harris Stratex Networks Akamai and American Express Business Travel in gathering insights and case studies to illustrate how to build a world class CFP Learn why companies should look beyond the NPS as the ultimate question and learn how to design an effective CFP that will help improve the customer experience increase customer loyalty and ultimately drive business growth For those unfamiliar with CFPs the appendices provide detail on methods used in the main body of the book a discussion on methods of determining customer requirements those elements of your business that are important to your customers a complete discussion on how to write survey questions and brief discussions on particular statistical analysis methods that can help you understand how customer feedback data are analyzed

The Best Question Ever Andy Stanley, 2009-04-23 We ve all done dumb stuff in our lives We all have regrets Yet none of us plans to mess up our lives Why then does it keep happening Life doesn t have to be that way You can fool proof your life as this book shows God s promise and pattern is for something better In The Best Question Ever Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life s arenas What is the wise thing for me to do in light of my past experience my present circumstances and my future hopes and dreams This book probes for honesty it pushes us to open our eyes to reality and helps us expose the little and big self deceptions we have Prepare yourself You are about to be introduced to a single question that will revolutionize the way you make decisions Over the past twenty years speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country In this ground breaking new book Andy provides you with a filter through which to evaluate every decision in every arena of your life As you are about to discover the Best Question Ever will bring clarity to decisions involving your finances your love life your schedule even your career People everywhere agree that their greatest regret could have been avoided had they asked the Best Question Ever and then acted on their conclusions A time tested truth that has immediate application the Best Question Ever has the power to change the trajectory of your entire life

Story Behind the Book After continually making decisions that were short sighted and hasty Andy Stanley sought counsel In Ephesians 5:15 he read Be very careful then how you live not as unwise but as wise It was there that Andy discovered what he considers to be The Best Question Ever From the Hardcover edition
