The Palestinian Uprising:

Intifada Zachary Lockman, Joel Beinin, 1989 This collection of critical essays includes eyewitness accounts from the West Bank and Gaza discussions of Palestinian society and politics and analyses of the role of the United States in the Middle East and Palestine **The Palestinian Uprising** F. Robert Hunter, 1993-01-01 The best sustained analysis of the Intifada

Charles Smith author of *Palestine and the Arab Israeli Conflict* *Intifada* Zeev Schiff, Ehud Yaari, 1990 To israeliske journalist analyserer her det palstinensiske oprør og dets politiske baggrund baseret på kilder fra begge konfliktens parter

Intifada Don Peretz, 2019-03-04 This book is intended as an overview of the uprising the Intifada of the Palestinian Arabs in the West Bank and Gaza territories occupied by Israel since the June 1967 war In the two years since the Intifada began during December 1987 it has acquired unusual international importance and visibility and has led to a number of significant changes in the policies of the principal actors involved especially Israel the United States the Palestine Liberation Organization and the Palestinian inhabitants of the occupied territories The Intifada has altered in many ways the dimensions of the Arab Israeli conflict by rearranging the order of political and diplomatic priorities of those involved and by thrusting the conflict to the forefront of international attention This book describes the background origins and causes of the uprising and its impact on the actors it also examines the prospects for coping with it I am obligated to my wife Dr Maya Peretz for her assistance in preparing the manuscript and in helping to meet the publisher's deadlines which sprang upon us more quickly than anticipated Thanks also go to Deena Hurwitz to *Palestine Perspectives* and to the UNRWA Liaison Office in New York for the photos used Finally I wish to express my appreciation to the Rockefeller Foundation for the time I spent at its Study Center in Bellagio Italy during the final editing stage of this book **From Stones to Statehood** Phyllis Bennis, 1990

The Palestinian Uprising Ann Mosely Lesch, 1988 **Palestine and Israel** David McDowall, 1989-01-01 In this thoroughly researched and highly topical book David McDowall considers the Palestinian uprising from a historical social and political perspective and carefully reassesses the prospects for a settlement of the Arab Israeli conflict **The Palestinian Uprising**, 1988 *Violence, Nonviolence, and the Palestinian National Movement* Wendy Pearlman, 2011-10-24 Why do some national movements use violent protest and others nonviolent protest Wendy Pearlman shows that much of the answer lies inside movements themselves Nonviolent protest requires coordination and restraint which only a cohesive movement can provide When by contrast a movement is fragmented factional competition generates new incentives for violence and authority structures are too weak to constrain escalation Pearlman reveals these patterns across one hundred years in the Palestinian national movement with comparisons to South Africa and Northern Ireland To those who ask why there is no Palestinian Gandhi Pearlman demonstrates that nonviolence is not simply a matter of leadership Nor is violence attributable only to religion emotions or stark instrumentality Instead a movement's organizational structure mediates the strategies that it employs By taking readers on a journey from civil disobedience to suicide bombings this book offers fresh insight into the

dynamics of conflict and mobilization **A History of the Israeli-Palestinian Conflict** Mark A. Tessler, 1994 Mark Tessler's highly praised comprehensive and balanced history of the Israeli Palestinian conflict from the earliest times to the present updated to the first decade of the twenty first century provides a constructive framework for understanding recent developments and assessing the prospects for future peace New chapters elucidate the Oslo peace process including the reasons for its failure and the political dynamics in Israel the West Bank and Gaza at a critical time of transition Jacket

Behind the Uprising Yossi Melman, Dan Raviv, 1989-10-25 In January 1986 two working journalists were flying aboard the official jet of Israel's Prime Minister Shimon Peres as he toured Europe and reactivated his secret diplomacy with Jordan's King Hussein Within two years Palestinians living under Israeli occupation rose in revolt The two journalists Yossi Melman and Dan Raviv decided the time was ripe to collaborate on *Behind the Uprising* Israelis Jordanians and Palestinians the first complete account of the clandestine relationship between Israel and Jordan two Middle East enemies that have reached a de facto peace without signing a peace treaty In this extraordinary exclusive account Melman and Raviv examine the hostile partnership by focusing on an unacknowledged but powerful partnership among three key parties in the Middle East dispute the Israelis the Jordanians and the Palestinians Based on interviews with participants in the secret diplomacy and on documents previously hidden from the public this work describes Hussein's meetings with Israel's leaders and reveals how Israel and Jordan forged a relationship covering everything from counter terrorism to counter mosquito tactics The book begins and ends with an explanation of how a quarter of a century of secret contacts led to an explosion of frustration in the occupied territories resulting in the Palestinian uprising **Encyclopedia of the Palestinians** Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians

Intifada Jamal Nassar, Roger Heacock, 1990-03-26 The theme is the struggle for Palestinian national liberation from colonial rule of which the uprising since December 1987 is seen as the latest and most powerful phase Most of the contributors are professionals in the occupied territories in sociology economics political science public health etc and they write as scholars and firsthand observers as well as supporters of the intifada There is much interesting material on the respective roles of villagers urban workers the merchant class and Palestinian women as well as on the competing secular and Islamic wings of the nationalist movement Foreign Affairs An unusually well informed collection of 19 essays on the Palestinian uprising or intifada which has been underway since December 1987 The contributors know their subject and in composite they provide a clear pithy and sympathetic picture of the economic political and social underpinnings of the uprising Although the perspective is generally inside looking outward there are several good chapters on the international aspects of the intifada Highly recommended for academic libraries Choice This edited volume presents a historical background of the occupation and its nature and ramifications to Palestinian nationalism Its coverage also embraces the catalysts for and the revolutionary transformation of the Palestinian uprising and it includes an interim assessment of the achievements and failures of the

Ashiurakis,1988

Echoes Of The Intifada Rex Brynen,2019-03-07 Important historical turning points often seem to be unpredicted until they are upon us For most observers the author included the Palestinian uprising that erupted in December 1987 was unexpected not because the depth of Palestinian national aspirations or the growing strength of Palestinian socio political organization under occupation were un **Uprising in Palestine** Palestine human rights information center,1990 The Palestine Liberation Organization and Its International Position Maija Lähtenmäki,1994 *The Palestinians* Clyde R. Mark,2003 Between World War II and the collapse of the Soviet union US policy toward the Middle East was based on several broad goals the most noteworthy of which were 1 stop Soviet expansion into the region 2 keep open the Middle Eastern lines of communication and trade 3 maintain Western access to Middle Eastern oil 4 foster democracy and free trade market economies and 5 protect Israel s security This book presents current issues concerning the Palestinians as well as a historical background **The Palestinian Economy** ,1994 The Palestine Yearbook of International Law ,1992
