Homoseksualiteit in Nederland Rob Tielman,1982 **Jeremy Thorpe** Michael Bloch,2014-12-16 A revealing insightful and gripping biography of one of the most extraordinary people ever to lead a British political party Observer The story of Jeremy Thorpe s rapid rise and spectacular fall from grace is one of the most remarkable in British politics When he became leader of the Liberal Party in 1967 at the age of just thirty seven he seemed destined for truly great things But as his star steadily rose so his nemesis drew ever nearer a time bomb in the form of Norman Scott a homosexual wastrel and sometime male model with whom Jeremy had formed an ill advised relationship in the early 1960s Scott s incessant boasts about their affair became increasingly embarrassing and eventually led to a bizarre murder plot to shut him up for good Jeremy was acquitted of involvement but his career was in ruins Michael Bloch s magisterial biography is not just a brilliant retelling of this amazing story ten years in the making it is also the definitive character study of one of the most fascinating figures in post war British politics New Society ,1978 *Apartheid's Friends* James Sanders,2006 Very little has been

written about the South African secret intelligence but revelations to the Truth and Reconciliation Commission and the new culture of confessions now make that possible James Sanders has gathered classified documents and interviewed ex operatives since 1997 and has pieced together an extraordinary unsavoury picture of the Intelligence Service both inside South Africa and overseas He reveals evidence of state sponsored murder not only to intimidate the ANC but also to allow hard men within the police and the armed forces to let off steam He reveals that Republican political candidates in the US were assisted in elections against anti Apartheid Democrats He shows that South Africa supplied Argentina with weapons during the Falklands War and that Harold Wilson's surprising outbursts when he claimed that South African intelligence agents were trying to bring down his government were based on hard evidence At operational level South African Intelligence had intimate links with counterparts in the CIA British Intelligence and other agencies worldwide Apartheid's Friends not only provides an insight into a dark area of South Africa's past it is also an important contribution to the international history of secret service **The Listener**, 1987 Private Eye, 1978 **Brinkman's catalogus van boeken en tijdschriften**, 1982 With 1901 1910 1956 1960 Repertoium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly **The Last Word** Auberon Waugh, 1980 **The Times Index**, 1978 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **The Spectator**, 2002 **Conspiracy of Silence** Barrie Penrose, Simon Freeman, 1988 Traces the life of Blunt art historian and Russian spy explains how he became involved in espionage and discusses his relationship to Kim Philby **The Annual Register**, 1979 *A Web of Deception* Chapman Pincher, 1987 Denne bog forfatter der har et langt og omfattende kendskab til omstændigheder i forbindelse med retssagen om bogen Spycatcher udtryber som advarsel mod misforståelse et hemmelighedsmønster Denne sag med forstemmede oplysninger om hvordan han endte politikere og embedsmænd handler når de involveres i efterretningstjenestens affærer **Scholar's Guide to Intelligence Literature** Georgetown University Library, 1983 **The Perfect English Spy** Tom Bower, 1996 Sir Dick White was Britain's greatest spymaster for over 35 years In an unprecedented succession of conversations over 11 years White disclosed and discussed his career with Tim Bower He provides a unique insight into crucial events famous spies
