The People Vs Rose Bird:

The People Vs. the Courts Mathew Manweller,2005 This research monograph analyses and describes how initiative elites react to the high level of judicial review of their successfully passed ballot measures and why those reactions are failing to decrease the number of judicial nullifications For the last 30 years state ballot measures that have passed and been challenged in court have been nullified at the ration of 1 out of 2 As a result of a 50% rate of nullification initiative elites have benefited from institutional learning and have become more sophisticated and politically savvy However the nullification have hardly plummeted The work explains why and posits other legal and political actions that may be possible for the ballot winners and their supporters

Senate Bill California. Legislature. Senate,1985 Fight or Surrender Charles E. Miller,2013-08-20 He Mme Pelosi and their defeatist friends in the Senate delude themselves that Jihad Islam can be defeated by Reids own admission We would have to defeat the ideology I have shown that it cannot be destroyed that is politically defeated But it can be suppressed condemned invalidated outlawed innervated even redirected if not destroyed Any one of these alternative redirections of Islamo fascism would constitute not a defeat which is a delusion but a partial victory which is the best we can hope for since only an omnipotent Christ has the power to change mens hearts before their minds A tripartite state of Kurds Shiites and Sunnis would be a partial victory That states goals can be humanitarian rather than materialistic although such a mixed people would appreciate certain modern conveniences like ice electricity plumbing modern medicine clean water comfortable housing security social comity These are all extraneous of the glut of Western style materialism The point of my thesis is that only a delusional destruction can ever absolutely defeat the ideology once it is constructed in the minds of men Therefore victory resides in the acceptance cooperative attainment and enjoyment of these amenities of civilized humankind We will leave when the Iraqi people under their own self protection show a willingness to institute these changes in their culture That route is for our own protection for already there are formed up some two dozen terrorist training camps in this country waiting for the signs of our weakness to heighten their violence and release death and chaos FRONT AND CENTER by Charles E Miller *Reports of cases heard and determined in the Appellate Division of the Supreme Court of the State of New York ,1896 Justice Stanley Mosk* Jacqueline R.
