## **Subverse Rhymes For Our Times:**

Subverse Marya Mannes,1959    Up Against the Wall Edward S. Casey,Mary Watkins,2014-09-01 As increasing global economic disparities violence and climate change provoke a rising tide of forced migration many countries and local communities are responding by building walls literal and metaphorical between citizens and newcomers Up Against the Wall Re imagining the U S Mexico Border examines the temptation to construct such walls through a penetrating analysis of the U S wall at the U S Mexico border as well as investigating the walling out of Mexicans in local communities Calling into question the building of a wall against a friendly neighboring nation Up Against the Wall offers an analysis of the differences between borders and boundaries This analysis opens the way to envisioning alternatives to the stark and policed divisions that are imposed by walls of all kinds Tracing the consequences of imperialism and colonization as citizens grapple with new migrant neighbors the book paints compelling examples from key locales affected by the wall Nogales Arizona vs Nogales Sonora Tijuana San Diego and the lower Rio Grande Valley of Texas An extended case study of Santa Barbara describes the creation of an internal colony in the aftermath of the U S conquest of Mexican land a history that is relevant to many U S cities and towns Ranging from human rights issues in the wake of massive global migration to the role of national restorative shame in the United States for the treatment of Mexicans since 1848 the authors delve into the broad repercussions of the unjust and often tragic consequences of excluding others through walled structures along with the withholding of citizenship and full societal inclusion Through the lens of a detailed examination of forced migration from Mexico to the United States this transdisciplinary text drawing on philosophy psychology and political theory opens up multiple insights into how nations and communities can coexist with more justice and more compassion    **American Political Humor** Jody C.

Baumgartner,2019-10-07 This two volume set surveys the profound impact of political humor and satire on American culture and politics over the years paying special attention to the explosion of political humor in today s wide ranging and turbulent media environment Historically there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics entertaining and sometimes insightful but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture This set documents just how mistaken that assumption is By examining political humor and satire throughout US history these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents parties and issues but also how satirists comedians cartoonists and filmmakers have helped to shape popular attitudes about landmark historical events major American institutions and movements and the nation s political leaders and cultural giants Finally this work examines how today s brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live    **Border, Globalization and Identity** Sanatan Bhowal,Sukanta Das,Sisodhara Syangbo,2018-04-18 This collection investigates the complex and myriad relations between identity and borders in an increasingly globalized world The

movement towards a borderless world bolstered by an unprecedented development in information and communication technology forces us to rethink traditional notions of singular identity and directs us towards the need for engaging and negotiating with the world in multiple ways Employing a wide range of critical approaches to works that examine and explore the contested terrain of globalization and the hotly disputed arena of borders the essays brought together here offer innovative perspectives through which issues of borders globalization and identity can be negotiated Straddling various genres this collection represents an investigation of the conflicting relationship between identity and borders in the contemporary globalized world

**Edge Effects** Robert D. Temple, 2008-11-19 Theres something fascinating about border towns Who hasnt crossed the line into another state to buy fireworks gamble or even to get married Here are border towns with names as unique as the places themselves names that bridge the boundaries Robert D Temple brings you a quirky fascinating and wholly entertaining look at more than eighty North American border towns in Edge Effects With an adventurers heart and a historians keen eye Temple explores life on the edge and how these places have made their place in history Theres big city Mexicali and empty quarter Idavada idyllic Vir Mar Beach and whiskey soaked Mondak Then theres prairie bleak Alsask mountain high Wyocolo and palmy Florala And who could forget Texarkana Along with finding these towns in the first place comes adventure in exploring them by highway four wheel drive boots and kayak and in encountering memorable locals historians farmers waitresses cops forest rangers railroaders and neer do wells But even more these places lead us to investigate concepts of borders boundaries frontiers margins and marginality as well as survey lines battle lines picket lines and color lines Edge Effects brilliantly examines how frontiers enrich cultures and boundaries define them But more importantly it reveals how edges shape local history and our lives A revised edition of Edge Effects was published July 10 2009

**Out of My Time** Marya Mannes, 1971 **Disrespected Neighbo(u)rs** Uwe Zagratzki, 2018-07-27 Neighbourly relations frequently position a self against an Other This is the case for both individuals and nations and indeed within the various cultural groups of a nation Our racial ethnic social or gender identities are often created in demarcating ourselves by stereotyping the Other Disrespect of the immediate neighbour based on stereotypical pre conceptions and cultural biases may lie dormant for a long time and then as shown in recent conflicts around the globe suddenly surface due to changed economic and political conditions Media including films and fictional as well as non fictional texts feature prominently in producing propagating and maintaining cultural difference and stereotypes in ideologically effective ways This volume analyses re presentations from various angles as it comprises articles dealing with ethnic groups and neighbo u rhooods from three world areas as well as genres and media instrumental to their respective cultural stereotyping This focus on literary and media representations of the neighbo u rly Other from miscellaneous cultural environments results in a comprehensive understanding of analogies and differences in the mechanisms of production and perception of stereotypes Addressing the manifold discourses at the heart of stereotyping the familiar Other the book also points to their far reaching repercussions on
