Sudden Dreams New And Selected Poems:

Sudden Dreams George Evans, 1991 The first collection published in America by an American poet insufficiently appreciated here but highly acclaimed in England where his three previous collections were published Published by Coffee House Press 27 North 4th Street Minneapolis MN 55401 Annotation copyrighted by Book News Inc Portland OR *The Braided Dream* Randolph Paul Runyon, 2021-12-14 Robert Penn Warren's reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America's first poet laureate *The Braided Dream* is one of the first book length studies of the poetry that has led to Warren's recent rise to eminence and the first to consider his final collection *Altitudes and Extensions* In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren's last four sequences *Now and Then* *Being Here* *Rumor Verified* and *Altitudes and Extensions* is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud's concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren's poems assume additional meanings by the poet's very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect *Facing My Lai* David L. Anderson, 1998 But these questions are asked again in the hope that they might lead to a better understanding of what *My Lai* means for us now *The Dream Keeper and Other Poems* Langston Hughes, 2011-10-26 Illus in black and white This classic collection of poetry is available in a handsome new gift edition that includes seven additional poems written after *The Dream Keeper* was first published In a larger format featuring Brian Pinkney's scratchboard art on every spread Hughes's inspirational message to young people is as relevant today as it was in 1932 **A Directory of American Poets and Fiction Writers** Poets and Writers, Inc.
