**The Pankhursts** Martin Pugh, 2013-12-31 The suffragettes outraged Victorian society but their personal lives were just as dramatic as their public actions In this gripping and incisive account of the Pankhursts Martin Pugh reveals the full story behind this unique family Emmeline the domineering mother Christabel the favourite daughter who became an Adventist and admirer of Mussolini Sylvia the scarlet woman and Adela banished to Australia after a bitter rift The result is a narrative that reads like a novel and a brilliant insight into the history of a family that changed the face of British society for ever
