Tabitha Mary A Little Girl Of 1810

Marilynn Strasser Olson

Tabitha Mary A Little Girl Of 1810:

Tabitha Mary Ethel Parton,1933-01-01 *Children's Culture and the Avant-Garde* Marilyn Strasser Olson,2013-03-05

This volume explores the mutual influences between children's literature and the avant garde Olson places particular focus on fin de siècle Paris where the Avant garde was not unified in thought and there was room for modernism to overlap with children's literature and culture in the Golden Age The ideas explored by artists such as Florence Upton Henri Rousseau Sir William Nicholson Paula Modersohn Becker and Marc Chagall had been disseminated widely in cultural productions for children their work in turn influenced children's culture These artists turned to children's culture as a new way of seeing allied to a contemporary interest in international artistic styles Children's culture also has strong ties to decadence and to the grotesque the latter of which became a distinctively Modernist vision This book visits the qualities of the era that were defined as uniquely childlike the relation of childhood to high and low art and the relation of children's literature to fin de siècle artistic trends Topics of interest include the use of non European figures the Golliwogg approaches to religion and pedagogy to oppression and motherhood to Nature in a post Darwinian world and to vision in art and life Olson's unique focus covers new ground by concentrating not simply on children's literature but on how childhood experiences and culture figure in art

Mortimer and the Witches Marie Carter,2024-03-05 UNTAPPED NEW YORK THE BEST NYC BOOKS OF ALL TIME The neglected histories of 19th century NYC's maligned working class fortune tellers and the man who set out to discredit them Under the pseudonym Q K Philander Doesticks P B humor writer Mortimer Thomson went undercover to investigate and report on the fortune tellers of New York City's tenements and slums When his articles were published in book form in 1858 they catalyzed a series of arrests that both scandalized and delighted the public But Mortimer was guarding some secrets of his own and in many ways his own life paralleled the lives of the women he both visited and vilified In *Mortimer and the Witches* author Marie Carter examines the lives of these marginalized fortune tellers while also detailing Mortimer Thomson's peculiar and complicated biography Living primarily in the poor section of the Lower East Side nineteenth century fortune tellers offered their clients answers to all questions in astrology love and law matters They promised to cure ailments They spoke of loved ones from beyond the grave Yet Doesticks saw them as the worst of the worst evil doers His investigative reporting aimed to stop unsuspecting young women from seeking the corrupt soothsaying advice of these so called clairvoyants and to expose the absurd and woefully inaccurate predictions of these witches Marie Carter views these stories of working class immigrant women with more depth than Doesticks's mocking articles would allow In her analysis and discussion she presents them as three dimensional figures rather than the caricatures Doesticks made them out to be What other professions at that time allowed women the kind of autonomy afforded by fortune telling Their eager customers many of whom were newly arrived immigrants trying to navigate life in a new country weren't as naive and gullible as Doesticks made them out to be They were often in need of guidance seeking out the advice of someone who had

life experience to offer or simply enjoying the entertainment and attention Mortimer and the Witches offers new insight into the neglected histories of working class fortune tellers and the creative ways that they tried to make a living when options were limited for them **Children's Catalog** H.W.
