The Cameroonian Novel of English Expression. An Introduction S. A. Ambanasom, 2009 In this eclectic and compelling book Ambanasom sets out to achieve three primary objectives to introduce the reader to the extensive body of Cameroonian novels in English to re examine the distorting and limiting criteria upon which the critical assessment of the Cameroonian novel in English has so far been based and to bridge the widening chasm between literary theory and actual critical practice To achieve these objectives Ambanasom begins by elaborating an alternative and flexible theoretical framework which he christens the Socio Artistic Approach and which according to him is concerned with both a text s thematic moral cultural or ideological issues on the one hand and its central

literary analysis on the other He then proceeds to use this new critical framework to examine twenty seven major Cameroonian novels in English After Work Desire: An Office Forbidden Love Story KELAKKIYAR SIDDHAR,2025-09-27 In the quiet hum of late nights and the endless rhythm of office life two people find themselves drawn into a connection neither expected nor can fully resist Rachel has always lived by order and discipline determined to rise on her own merits and avoid the traps of gossip and distraction Yet when subtle glances become lingering moments and encouragement slips into unspoken understanding the steady balance she has worked so hard to maintain begins to shift Daniel is the figure everyone looks to calm steady unwavering in his authority But behind his composure lies a struggle he cannot share a pull toward something he knows could complicate everything In a world that demands masks and restraint every encounter between them carries the weight of risk yet also the promise of something deeper something that refuses to be silenced As whispers begin to spread and eyes sharpen with suspicion Rachel and Daniel must navigate the line between ambition and desire between what is expected and what is undeniable Their story unfolds in stolen moments in tension too strong to ignore in choices that will define not only their futures but also the truths they can no longer hide **Taboo Love** Joseph Anchangnayuoh Ngongwikuoc,2016-12-14 It is the early twentieth century within the northwestern savannahs of Cameroon as the infiltration of white colonialism lurks in the shadows As the Mukomangoc tribes age old customs battle to survive no one has any idea that a rebellious virgin is about to challenge everything they have ever known Iyafi is the only one in her family who does not consider it an honor to be chosen as a wintoc When the king of the Mukomangocs selects her to be one of his wives Iyafi dreads the deflowering ceremony with His Highness What no one knows is that she shares a forbidden love with her childhood friend Jam But when cruel chance locks Iyafi and Jam in isolated intimacies their doom is boldly traced While they courageously attempt to defy the outcome their love clashes with a nations destiny as times and generations transform and a king is left to negotiate with the colonial intruders Taboo Love shares a fascinating tale set in the early twentieth century Africa as tribal rituals intertwine with young love and leave the fate of a nation hanging in the balance
