Tackett And The Saloon Keeper:

Tackett and the Saloon Keeper Lyn Nofziger, 1994 This third entry in Former Nixon strategist Nofziger's Tackett trilogy is every bit as enjoyable as the first two Booklist **Sequels** Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *To Be Continued* Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime, novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *American Historical Fiction* Lynda G. Adamson, 1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers. *American Historical Fiction* R contains over 3 000 titles set in states and historical regions of the United States. Entries are organized by time period. The newest titles as well as old favorites are covered. The volume is indexed by author, title, genre, subject, and geographic setting. **What Do I Read Next? 1995** Barron, Steven A. Stilwell, 1995-08 This annual selection guide covers new novels in the mystery, fiction, science fiction, fantasy, horror, western, and romance genres. It is intended to help readers to choose titles of interest published during 1995. By identifying similarities in various books, it seeks to help readers to independently choose titles of interest published during 1995. Entries are arranged by author within six genre sections and provide publisher and publication date, series name and number, description of characters, time, geographical setting, review, citation, genre, and setting notations, and related books. **Sequels** Janet Husband, Jonathan F. Husband, 1997 Sequels the most popular and long lasting guide to novels in series returns with greatly expanded series listings. Mysteries continue to be a mainstay with fantasy, science fiction, and romance listings plus non genre fiction selections from authors such as Edward Abbey and Lawrence Durrell. The authors have carefully sifted through a growing group of series to select those most likely to be available in a medium sized public library, weeding out esoteric, obscure, and less popular series. This classic reference includes hundreds of annotated series title and subject indexes and suggestions for reading order. Library professionals will find answers to the perennial question, "What should I read next?" Guidance on the chronology of a series. Easy to use tools to identify novels by character, setting, and author. The definitive resource for novels in series. Including series started since 1989 and updated through 2007. Sequels will be the most complete resource for general readers and library patrons as well as readers, advisors, public, university, and high school reference librarians, acquisition and collection management librarians, and even bookstore staff and book reviewers. The expanded Sequels 4th edition will become the RA and reference librarian's

resource of choice **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped,1995 [What Do I Read Next? 00 V2](#) Gale Group,2000-11 **What Western Do I Read Next?** Wayne Barton,1999 What Western Do I Read Next describes and indexes approximately 1 900 titles published between 1989 and 1998 providing access to information genre readers need to select their next best read title series author publisher characters locale time period plot summary and similar authors **Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997** Jeff Herman,1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of all genres on top of the rapidly changing world of publishing Who s moved where who s new to the scene who s gone for good it s all here in one big volume **Writer's Guide to Book Editors, Publishers, and Literary Agents, 1997-1998** Jeff Herman,1996-09-25 This book contains the names and addresses of acquisitions editors at top publishing houses as well as their area of expertise and information on top literary agents First time and experienced authors will find the information they need to get their big break in the writing business instead of having their manuscripts end up in the slush pile *Talking Book Topics* ,1996 **Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999** Jeff Herman,1997 A real find for the aspiring writer The Associated Press In depth information The Writer Who are they What do they want How do you win them over Find the answers to these questions and more in the 1998 1999 edition of the Writer s Guide to Book Editors Publishers and Literary Agents by Jeff Herman Filled with the information authors and aspiring authors need in order to avoid having a manuscript end up in the slush pile this comprehensive listing is organized in an easy to use format It includes in depth information about publishing houses and literary agents in the United States and Canada The specifics include the names and addresses of editors and agents what they re looking for comission rates and other key information In addition readers will discover the most common mistakes people make while attempting to solicit an agent and how to avoid them as well as numerous suggestions designed to increase the chances of getting representation Writer s Guide to Book Editors Publishers and Literary Agents also includes dozens of valuable essays giving readers insight and guidance into such topics as How to Write the Perfect Query Letter The Knockout Nonfiction Book Proposal How to Thrive After Signing a Publishing Contract Mastering Ghostwriting and Collaboration Free Versus Fee The Issue of Literary Agency Fees About the Author Jeff Herman is the founder of The Jeff Herman Literary Agency a leading New York agency He has sold hundreds of titles and represents dozens of top authors Herman frequently speaks to writer s groups and at conferences on the topic of getting published *The Publishers Weekly* ,1994 **The Whole Story** John E.
