## **Tackling Insurgency And Terrorism:**

**Tackling Insurgency and Terrorism** Bhaskar Sarkar,1998 In the Indian context *Tackling Insurgency and Terrorism* Samay Ram,2002 India has witnessed insurgency for over fifty years It started in Nagaland in 1956 and thereafter spread to other states of the North East Region Later on Punjab insurgency for almost a decade and currently it is in Jammu and Kashmir Unfortunately handling insurgency at the level of our political leadership and bureaucracy has more or less failed The emphasis of the book is on the military doctrine military aims military strategy and concept of operations intelligence at the state level conduct of psychology operations media management and a look into the future trends in terrorism **Homeland Security and Terrorism in Nigeria** Sheriff Folarin,Abiodun Raufu,Godwyns Agbude,2024-10-15 Tracing the origins and examining the dimensions of homeland security challenges this book analyzes these crises deepens understanding of the Nigerian security dilemma and seeks pathways to a more secure homeland **Tackling Insurgency and Terrorism** Bhaskar Sarkar,1998 A unique contribution of this book is that it offers an innovative scorecard system of analysing an insurgency and predicting its outcome The author demonstrates the efficacy of this scorecard system by applying it in the case of Punjab Kashmir and Assam The second part of the book comprises a complete blueprint for mounting successful counter insurgency and anti terrorist campaigns with chapters covering government policy role of the political parties essential principles for the successful employment of security forces counter insurgency concepts and operational tactics intelligence support population and resource control measures security of organisations and protection of individuals targeted by the insurgents and role of the judiciary the press and the people *Routledge Handbook of Counterterrorism and Counterinsurgency in Africa* Usman A. Tar,2021-01-28 This book illustrates how Africa's defence and security domains have been radically altered by drastic changes in world politics and local ramifications First the contributions of numerous authors highlight the transnational dimensions of counterterrorism and counterinsurgency in Africa and reveal the roles played by African states and regional organisations in the global war on terror Second the volume critically evaluates the emerging regional architectures of countering terrorism insurgency and organised violence on the continent through the African Union Counterterrorism Framework AU CTF and Regional Security Complexes RSC Third the book sheds light on the counterterrorism and counterinsurgency CT COIN structures and mechanisms established by specific African states to contain degrade and eliminate terrorism insurgency and organised violence on the continent particularly the successes constraints and challenges of the emerging CT COIN mechanisms Finally the volume highlights the entry of non state actors such as civil society volunteer groups private security companies and defence contractors into the theatre of counterterrorism and counterinsurgency in Africa through volunteerism community support for state led CT COIN Operations and civil military cooperation CIMIC This book will be of use to students and scholars of security studies African studies international relations and terrorism studies and to practitioners of development defence security and strategy

Terror Sans Frontiers Jaideep Saikia,2003    The Political Impossibility of Modern Counterinsurgency M.L.R.

Smith,David Martin Jones,2015-05-19 The counterinsurgency COIN paradigm dominates military and political conduct in contemporary Western strategic thought It assumes future wars will unfold as low intensity conflicts within rather than between states requiring specialized military training and techniques COIN is understood as a logical effective and democratically palatable method for confronting insurgency a discrete set of practices that through the actions of knowledgeable soldiers and under the guidance of an expert elite creates lasting results Through an extensive investigation into COIN s theories methods and outcomes this book undermines enduring claims about COIN s success while revealing its hidden meanings and effects Interrogating the relationship between counterinsurgency and war the authors question the supposed uniqueness of COIN s attributes and try to resolve the puzzle of its intellectual identity Is COIN a strategy a doctrine a theory a military practice or something else Their analysis ultimately exposes a critical paradox within COIN while it ignores the vital political dimensions of war it is nevertheless the product of a misplaced ideological faith in modernization
