**Tai Chi for Arthritis Handbook** Paul Lam, 2001-01 **Understanding Pain** Naheed Ali, Moshe Lewis, 2015-04-01 Pain is informally defined as the body's way of uncovering a problem Whether due to an injury infection or something else pain alerts a person that something is not right Sometimes pain goes along with inflammation and swelling and when it does the problem is more evident Oftentimes pain is more generalized to the entire body signaling a viral infection such as a flu virus Still other times there is no apparent root cause for a person's pain Yet millions of people suffer from some form of pain on a daily basis Understanding Pain walks readers through the various types of pain the causes and symptoms as well as the methods of treatment currently available From prescription medication to acupuncture and massage therapy various approaches may work for some but not for others But handling pain is essential for living well and functioning on a daily basis Here the authors provide a comprehensive introduction to the subject covering self care as well as caring for others in pain and addressing alternative as well as traditional methods of pain management

**Born Strong**

Paul Lam, 1948-03-28 Born in Vietnam Bon Trong meaning born to be strong was only ten months old when he was left with his grandmother in China in place of his father to fulfill an ancient Chinese tradition that required a male heir to see his parent off to the next life Little did anyone know that soon thereafter the Communist Party under Mao Zedong would overtake China and change life as they knew it forever For sixteen years Bon Trong suffered abuse and terror from the Communist rule and narrowly escaped death from starvation during Mao's disastrous Great Famine In a small storeroom with his beloved aunt and older cousin Bon Trong learned the meaning of love and family in the harshest of circumstances But his destiny was not in China When Bon Trong was sixteen his father managed to get him out from under the Communists

in China He escaped to Hong Kong where he was welcomed by an uncle and aunt but was distressed by the shock of the new culture and his heart wrenching separation from his aunt However he was determined to win approval from his parents from his family but most of all from himself As fate would have it a brother living in Australia paved the way for him to find his future there Excited by the Western culture and kindness of the people he finally experienced freedom for the first time in his life Paul as he was now known chose the path of healing early on when he decided to become a doctor He came to realize how much he loved medicine and it became clear his calling was to heal people Dr Lam was far from well however as he suffered many debilitating effects from the years of starvation and malnutrition in his childhood He began studying tai chi with his father in law hoping to ease his painful arthritis Moved by the art and the movements that began to improve his health and spirit Dr Lam became an avid learner and expert in tai chi Feeling he could help others through tai chi he started workshops to teach those who wanted to learn and also instructed others how to teach the methods he had developed From workshops to lectures to creating DVDs to writing books Dr Paul Lam has dedicated his life to spreading the health benefits of tai chi around the world He has changed the lives of millions of people who seek to connect their mind body and spirit through tai chi fulfilling his destiny to become a true healer Born Strong is a story of survival persistence and love Reviews Born Strong is the story of a man who rose above the chasm of death and impossible odds to turn the centuries old esoteric Oriental art of Tai Chi into a Western science and medicine based system of healthcare that has deeply touched the lives of millions It is a fable of humility struggle and heartbreak but above all of selfless sacrifice unconditional love staunch courage and unwavering tenacity An inspirational read Andy Choo PhD FAA Professor of biomedical genetics University of Melbourne and Murdoch Childrens Research Institute Fellow of the Australian Academy of Science Tai Chi teacher and researcher An inspiring and engaging personal story of healing and Tai Chi written by a physician and Tai Chi master leading the integration of Tai Chi into healthcare worldwide Peter Wayne Assistant Professor of Medicine Harvard Medical School and author of The Harvard Medical School Guide to Tai Chi
