Breiter-Wu**

Taijiquan Class:

The Soul of Taiji Dr. Baolin Wu, Michael McBride, 2020 Daoist taijiquan adheres to roundness the circular symbolizing movement and exercise and the key to opening the mysterious life gate onto to a better path each day fulfilled and joyous Zhang Sanfeng Taijiquan amongst all forms is unique practicing in only one singular direction following the rotation of the earth the direction of the winds the turning of the stars and the shapes of the planets The universe is vast and unknown but according to Yijing the universe itself is round By observing and practicing Daoist taijiquan the roundness of the universe is then integrated the self its reflection becoming one

Cheng Man-ch'ing and T'ai Chi: Echoes in the Hall of Happiness Michael DeMarco, 2015-08-16 Cheng Man ch ing 1902 1975 also romanized as Zheng Manqing certainly played a lead role in popularizing tai chi ch uan throughout the world and greatly influencing the way the art is perceived and practiced This fact alone should drive all those interested in tai chi to study the man s history and thought There is a huge body of writings and video representations of Cheng s tai chi theory and practice Unfortunately much of the available content actually obscures Cheng s message The result is that Cheng and his role in tai chi evolution are often not fully understood and faulty conclusions are made A further result is that many feel either enlightened with what they believe to be true or they become even more perplexed in who Cheng was as a human and what his tai chi truly embodied The chapters in this anthology contain rare information about Professor Cheng not available elsewhere except in their originally published formats in the Journal of Asian Martial Arts Most of the articles in the journal were written in an academic style limiting their acceptance from the general public which is typically interested in the more accessible popular writing styles Of course the content here deals not only with the complexities of tai chi theory and practice but does so in a thick weave of historical and cultural threads We are republishing the journal articles in book format so all with a sincere interest in tai chi history theory and practice can benefit from the content particularly those interested in the Cheng Man ch ing tradition Each author is uniquely qualified for producing some of the highest quality writings in this specialized area

The Best Fight: A Memoir of a Martial Art Practitioner, Publisher, and Author Michael DeMarco, 2023-10-10 A needle may draw a thread through printed pages to bind a book In this little memoir

I feel like a needle that drew a common thread through a segment of martial art history. This book details three interrelated activities: 1. martial art studies, 2. involvement as founder of Via Media Publishing producing a quarterly journal and books, and 3. teaching martial arts. Publishers, writers, researchers, and serious martial art practitioners will benefit with the detailed overview of Via Media and its publications. Via Media produced the Journal of Asian Martial Arts, known for its high academic and aesthetic standards. Its contents reflect the history of two decades and provides rich information for practitioners and scholars, making *The Best Fight* a valuable reference work. In addition to reading, the primary way to learn a martial art is through instruction. In reading about my studies and teaching experience, readers can relate to their own involvement in martial arts. What is important here is the portrayal of my instructors, their teaching methods, and reasons for being involved in martial arts. Their accounts should offer insights and inspiration for others who study and practice any martial art. *The Dao of Taijiquan* (Tsung Hwa Jou, 1989-12-15). In *The Dao of Taijiquan*, the author Jou Tsung Hwa himself bears witness to the ability of Tai Chi to relieve the body of pent-up tension and rejuvenate the spirit. In a thorough study of the techniques and classical texts of this ancient martial art, in order to create a serious textbook that explains the philosophy behind the movements of tai chi chuan, he read all available books in both English and Chinese before writing *The Dao of Taijiquan*. Now this book can be used as a college textbook for courses in tai chi, whether as a philosophy or in Sports Studies. Jou Tsung Hwa is also the author of *The Tao of Meditation: Way to Enlightenment* and *The Tao of I Ching: Way to Divination*, both from Tuttle Publishing. *Dusk Before the Dawn* (Larry Ketchersid, 2006-04) combines nanotechnology, martial arts, and a struggle for world domination. *Dusk Before the Dawn* follows people struggling to not only survive in a new world order but to shape it.

Laoshi's Legacy: Emergence from Shadow (Jan Kauskas, 2018-05-12). A few years ago I sought to record a few memories and observations gleaned on the way from beginner to senior student. The result was *Laoshi: Tai Chi Teachers and Pursuit of Principle*, a semi-fictional memoir using the device of dialogue between student and teacher to examine the agony and elation of sincerely pursuing the art of taiji. The thirty-seven chapters of *Laoshi* shone light on the various aspects of taiji and martial arts which occupied my thinking as I progressed along the Way. *Laoshi*, which translates as teacher in Mandarin, was the main character of the book, and though not a real person, represented the best aspects of the many martial artists whose skills, dedication, and wisdom inspired me in my attempts to match their example. As a wise and compassionate though sometimes irritable teacher, *Laoshi* guides his student, the narrator, through many disappointments and false dawns until the student arrives, if not at mastery, then the fertile ground where mastery grows. The present volume, *Laoshi's Legacy*, takes up where the previous account left off: the student moves beyond his preoccupation with his own progress to explore the terrain occupied by the teacher. The Way of the teacher we discover not only offers insight and reward aplenty but is every bit as confounding and often more treacherous than the path of the student. With the example of my own teachers once again embodied in the character of *Laoshi*, *Legacy* describes the challenges encountered in progressing beyond the role of student.

to survey the art from the viewpoint of teacher As in the previous volume Laoshi the teacher continues as guide and mentor advising the novice instructor confronted with the reality of teaching taiji in a modern world Like its predecessor Legacy relies heavily on allegory mirroring the paradoxical nature of life where truth is often hidden in myth and deception disguises itself as truth A touch of poetic licence may stretch the truth a little to accommodate the narrative but Legacy is a realistic portrayal of dilemmas faced while pursuing the Way of the teacher READERS COMMENTS As the torch of teaching taijiquan is passed to the next generation of teachers the problems and questions that arise are discussed in Laoshi's Legacy by Jan Kauskas This book is filled with amusing anecdotes and lessons that Professor Cheng Man ch ing taught his students that still resonate today MARTIN INN co translator of The Essence of T ai Chi Ch uan The nutrient dense insights in each chapter will make you want to linger and digest and the unfolding human story will make you want to turn the page for the next exciting episode Readers may come for the taijiquan lessons and lineage lore but will stay for the life lessons and wisdom Literary flair and Scottish wit make it an instructive inspirational and irresistible read Those who read this book without tears laughter and lots of a ha moments are probably not ready for it DOUGLAS WILE author of Zheng Manqing's Uncollected Writings Laoshi's Legacy does not disappoint Kauskas sagely and engagingly counsels readers in vicarious fashion through the guise of conversations between himself and his teacher the sagacious Laoshi in the important nuances of taijiquan philosophy and technique often addressing with deft candor important real world issues not found in other popular books A must read for all taijiquan teachers and students JOHN LOUPOS author of Tai Chi Connections Advancing Your Tai Chi Experience Jan Kauskas writes well and has meditated on the words he presents here His Laoshi answers all questions and offers stories anecdotes and spiritual knowledge in the Daoist tradition Readers will benefit from these words KENNETH VAN SICKLE author of Tai Chi Sword and Tai Chi Feather Sword DVD
