Taiwans Modernization In Global Perspective:

Taiwan's Modernization in Global Perspective Peter C. Chow, 2002-10-30 In five decades Taiwan has shifted from an authoritarian regime to a multi party democracy has moved steadily toward modernization and has become an economically affluent socially pluralistic society Its experience provides valuable lessons for developing countries This book offers a critical assessment of Taiwan s path to modernization focusing particularly on developments of constitutional democracy and the rule of law democratic transition and consolidation internationalization and globalization and social developments From its market economy to its democratization Taiwan provides a valuable case study On social developments it provides a unique model of demographic transition rising women s social status and the emergence of the nuclear family In eighteen chapters written by prominent scholars this book examines the multiple aspects of Taiwan s modernization in a global perspective

Taiwan's Modernization: Americanization And Modernizing Confucian Manifestations Wei-bin Zhang, 2003-07-14 This book is part of a broad examination of Confucianism and its implications for modernization of the Confucian regions covering mainland China Taiwan Hong Kong Macau Vietnam Japan South Korea North Korea and Singapore It is mainly concerned with the industrialization and modernization of Taiwan To help readers understand the process of modernization the book provides an introduction to the history of Taiwan and to Confucianism and its modern implications As far as social and economic principles are concerned Taiwan s modernization is according to the author characterized by Americanization and modernizing Confucian manifestations The book demonstrates that Taiwan has actually provided an important case study not only for the capitalist spirit of overseas Chinese but also for possible implications of Confucianism for modernization The unique character of this book is that in explaining Taiwan s modernization it deals not only with economic and social issues but also examines the philosophical foundations an endeavor which no other author has systematically made before

Taiwan in the Global Economy Peter C. Chow, 2002-03-30 A role model for late industrializing countries Taiwan provides unique and interesting development lessons for third world countries Once a poverty stricken resource poor technologically backward nation Taiwan has become the hub of a global production network in many high tech industries with increasing significance in the world economy In ten outstanding essays written by highly respected economists this book analyzes Taiwan s postwar economic development path providing a valuable case study of its structural transformation from a labor intensive to a technology intensive economy The book addresses three major topics First it recaptures the lessons of Taiwan s experience Then it considers the role of foreign investment on structural transformation and globalization Finally it examines Taiwan s economy in a global perspective evaluating its role in the world market from the past to the future and its evolution from a colony to a newly industrialized country

The Origins of the Developmental State in Taiwan J. Megan Greene, 2008-04-30 Greene examines the ways in which the Kuomintang state planned and promoted scientific and technical development both in mainland China between 1927 and 1949 and on Taiwan after 1949 Using industrial science policy as a

lens she shows that the state even during its most authoritarian periods did not function as a monolithic entity State planners were concerned with maximizing the use of Taiwan's limited resources for industrial development Political leaders on the other hand were most concerned with the state's political survival The developmental state emerged gradually as a result of the combined efforts of technocrats and outsiders including academicians and foreign advisors Journal of Comparative Family Studies ,2008 Taiwan's Anti-corruption Strategy Jon S. T. Quah,2010 **The Newly Emerging Asian Order and the Korean Peninsula** ,2005 China After the Sixteenth Party Congress Te-Yu Wang,2005 This book examines the various aspects of Chinese society that the new leadership will have to confront including political reform human rights economy WTO state owned and private enterprises social change unemployment health issues housing population and family planning cross strait relations Sino U S relations and China's relationships with other Asian countries **American Journal of Chinese Studies** ,2005 Forthcoming Books Rose Arny,2002 Journal of Economic Literature ,2002
