Taiwans Presidential Politics:

Taiwan's Presidential Politics Muthiah Alagappa, 2017-07-28 The March 2000 presidential election was an important milestone in the democratic development of Taiwan with the Kuomintang turned out of power after five decades of control and replaced by the Democratic Progressive Party This book address the variety of effects that Taiwan s democratic development and the election will have on domestic policy in the region Part one looks at trends and changes in Taiwan s politics and analyzes the outcome of the March 2000 election The chapters in part two discuss the international implications of Taiwan s democratic evolution for a variety of issues including political economic and security relations on both sides of the Taiwan strait Japan s foreign policy in the region U S foreign policy in the region and peace and security in Southeast Asia The challenges and prospects for continued democratic consolidation and the implications and lessons for the PRC and Southeast Asia are also explored **Presidential Politics in Taiwan** Steven M. Goldstein, Julian Chang, 2008

Presidential Politics in Taiwan Steven M. Goldstein, 2008-03-31 This book discusses some of the main themes which emerged following Chen Shui bian s election and seek to elucidate the major challenges that the administration faced as well as the policies that Chen established The individual chapters then assess the direction that the Chen Shui bian administration took in regard to major issues Will Taiwan Break Away Cheong Ching, Xiang Cheng, 2001-01-01 The March 2000 presidential elections in Taiwan returned a pro independence candidate This marks a turning point in Taiwanese politics as well as bilateral relations across the strait The Taiwan issue is extremely difficult to resolve for it straddles three centuries Separatism originated in the 19th century intensified in the 20th century and is likely to explode in the 21st century Being one of the few journalists who possess in depth knowledge of both sides of the Taiwan Straits the author is able to give a factual account and offer explanations for the developments that led eventually to the change of the political landscape of the island This book is a collection of selected news reports analyses and commentaries which were written by the author between 1998 and 2000 during his posting to Taiwan The first part traces the development of cross strait relations since the presidential elections The second part gives a factual account of the election process at different points in time as well as the author s interpretation of the result The next part covers news and analyses of cross strait relations especially the unification independence dispute and the deterioration of cross strait relations after Taiwanese ex president Lee Tenghui formulates his two states policy The final part sets cross strait relations in the broader perspective of the trilateral relationship between Beijing Taipei and Washington the latter a key player in this uneasy co existence This book would be a good reference for anyone interested in the history and current political developments in Taiwan Machine Politics in the New Taiwan Shelley Elizabeth Rigger, 1994 Varieties of Labor Politics in Asian Democracies Yoonkyung Lee, 2006 **Political Changes in Taiwan Under Ma Ying-jeou** Jean-Pierre Cabestan, Jacques deLisle, 2014-07-17 In 2008 Ma Ying jeou was elected President of Taiwan and the Kuomintang KMT returned to power after eight years of rule by the Democratic

Progressive Party DPP Since taking power the KMT has faced serious difficulties as economic growth has been sluggish society has been polarised over issues of identity and policy and rapprochement between Taipei and Beijing has met with suspicion or reservation among large segments of Taiwanese society Indeed while improved relations with the United States have bolstered Taiwan's security warming cross Strait relations have in turn made Taiwan more dependent upon and vulnerable to an increasingly powerful China This book provides a comprehensive analysis of the return of the Kuomintang KMT to power and examines the significant domestic political economic social and international challenges and changes that have characterized Taiwan since 2008 It identifies the major domestic cross Strait and foreign policy trends and addresses key issues such as elections and Taiwan's party system the role of the presidency and legislature economic development social movements identity politics developments in cross Strait relations Taiwan's security environment and national defence policies relations with the US and Japan In turn the contributors look towards the final years of Ma's presidency and beyond and the structural realities both domestic and external that will shape Taiwan's future Political Changes in Taiwan Under Ma Ying jeou will be of great interest to students and scholars of Taiwan studies comparative politics international relations and economics It will also appeal to policy makers working in the field **The Taiwan Voter** Christopher Henry Achen, T. Y. Wang, 2017-07-26 Examines how Taiwan's voters navigate a dangerous environment to demonstrate how identities matter everywhere **Taiwan Communiqué**, 2002 Economics and Elections in South Korea and Taiwan Junhan Lee, 2001

Military Modernization in an Era of Uncertainty National Bureau of Asian Research (U.S.), 2005 Focuses on the defense capabilities of key Asian powers in the context of their grand strategies Through a combination of country regional and topical studies the book assesses how Asian states are modernizing their military programs in response to China's rise as a regional power the war on terrorism changes in U S force posture the revolution in military affairs and local security dilemmas In addition to this central theme each chapter examines the changing balance of power in Asia and identifies likely threats and opportunities that may arise in the next five years Politics in Pacific Asia Xiaoming Huang, 2009-05-15 Using China Japan Korea Taiwan Singapore Malaysia Thailand Indonesia and the Philippines as core examples throughout this major new text provides a comprehensive up to date and very accessible introduction to the politics of an increasingly significant and dynamic region of the contemporary world *Governments of the World* Chester Neal Tate, 2006 **Inside China Mainland**, 1996 **Taiwan's Politics In Action: Struggling To Win At The Ballot Box** John F

Copper, 2020-11-13 Taiwan's Politics in Action Struggling to Win at the Ballot Box is about the most interesting and exciting aspects of Taiwan's politics political competition in the form of electioneering campaigns and voting The author first analyzes the theories constructs or simply ideas about elections especially who wins them and why The most discussed by the pundits and the scholars are the watermelon and the pendulum theory voting as before or not The economic or pocketbook theory is also popular although whether this means economic growth or greater equity has changed Which party or candidate has the

most money is also predictive Other constructs or simply ideas are also commonplace Divide and conquer is another approach Another is the best campaign agenda so too picking the most attractive candidates Professionalism in campaigning and the use of social media are also favorite ideas So is the appeal to voters ethnicity espousing liberal or conservative ideas using protest focusing on constant concerns such as peace and corruption and finally the appeals of populism and progressivism The author then examines Taiwan s two most recent elections the 2018 mid term or collection of local elections and the 2020 national presidential and legislative election to apply the theories The Nationalist Party or Kuomintang KMT won the former the Democratic Progressive Party DPP won the latter giving the observer a choice of evidence about how to win The author concludes that Taiwan s democracy is being challenged but is still popular in spite of strong external forces and other worries
