Take A Di Joe Faraday Investigation:

The Take Graham Hurley, 2006-04-01 DI Joe Faraday's Management Assistant Vanessa Parry is dead killed in a head on car smash Her funeral is a bitter end to another grim week in the front line of the ongoing war against Portsmouth's surging crimewave And now the seemingly untouchable DC Paul Winter master of the scam has been hurt in a way he could never have imagined his wife has cancer It's inoperable and she has barely three months to live Paul Winter has only one instinct to lash out But there's precious little time for grief on a Portsmouth CID squad A disgraced gynaecologist is missing and his caseload of maimed women is a murder suspect list from hell It all adds up to an impossible workload and that's without the suits and the politicians conspiring to make it even harder

Raid 42 Graham Hurley, 2019-06-13 Historical fiction of a high order The Times Spring 1941 The war in the West is as good as won Nation after nation has fallen before the Reich's armies Only Britain endures her cities under nightly bombardment from the Luftwaffe Berlin would happily call off the bombers in exchange for a peace treaty Hitler would like to persuade Britain to turn her back on Europe to attend to her precious Empire instead to allow Germany a free hand to deal with the real enemy in the East Peace perhaps but at what cost For Churchill the price is too high but for others within the British establishment it is a price worth paying On both sides of the channel advocates of total war or peace at all costs are at each others throats all unaware that Rudolf Hess Hitler's quiet contemplative deputy has already taken radical steps to change the fortunes of the war Raid 42 is part of the SPOILS OF WAR Collection a thrilling beguiling blend of fact and fiction born of some of the most tragic suspenseful and action packed events of World War II From the mind of highly acclaimed thriller author GRAHAM HURLEY this blockbuster non chronological collection allows the reader to explore Hurley's masterful storytelling in any order with compelling recurring characters whose fragmented lives mirror the war that shattered the globe

Kane Graham Hurley, 2025-06-19 One man at the heart of American power must undertake a crucial wartime spy mission that will take him into enemy territory before he even leaves US soil Washington DC 1941 Quincy Kane hero of the Boston Police Department and scourge of organised crime is now a Secret Service agent His meteoric rise means he's trusted to guard the most important man in the country President Roosevelt Then Imperial Japan attacks the US naval base at Pearl Harbor For Kane American entry to World War II means the most crucial mission of his career a complex scheme of bribery and subterfuge that will see him cross the Atlantic He could change the course of the conflict and save thousands of Allied lives First though he will have to survive a return to the world of organised crime via the City of Angels itself Los Angeles where every gangster has Quincy Kane in their crosshairs From award winning author Graham Hurley Kane is a thrilling part of the Spoils of War Collection a non chronological series set during World War II and featuring some of the most momentous stories and figures of the era Historical fiction of a high order The Times on Graham Hurley
