## PowerPoint Presentation

### REUSE

Reuse means to use something again for another purpose instead of throwing it out and making garbage. We can reuse by:

- Using glass or aluminum water bottles instead of buying plastic bottles of water.
- Using cloth grocery bags instead of paper or plastic.
- Using lunch boxes instead of paper bags.
- Donating old clothes and toys.
- Donating used books to a local library.

### REDUCE

Reduce means to use less of something and do less. When we reduce, we have less garbage and waste on our Earth. We can reduce:

- Turning off the lights when we don't need them on.
- Turning off the faucet when we brush our teeth.
- Purchasing things with mind and using less paper.

### PAPER

Paper can be recycled. Used paper can go to paper factories. The paper is shredded and made into a substance called pulp by pulling apart the fibers in the paper. New paper is made from the pulp.

### PLANT A TREE

Trees are important. They give us oxygen and help keep the air clean. Many trees are cut down for timber and to clear land for homes. It is important to replace the trees that are cut down.

### COMPOST

Compost is an alternative to throwing food and paper away. When we throw things in the garbage, it ends up in a landfill. Landfills are not good for our planet. Compost is when we mix food scraps such as:

## **God's Quest**

Lyman C.D. Kulathungam,2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life s turmoil and that the best is yet to be
