Intentional Child Rearing Jonthan Downing,2025-05-07 Intentional Child Rearing is a book focused on the importance of raising a generation of godly children and the generations within each We cannot wait to pour into our children when we think they are old enough to understand It has to start in the womb According to Jeremiah 1 5 KJV God knew us and ordained us at this early stage of life as prophets Failure to start early and raise a godly seed in the home has caused much rebuttal and regret for our local communities states nation as well as the world We are now leaving the raising of children to grandparents detention centers schools and other entities Although it takes a village to raise a child the village starts first at home When we refuse to train children early and raise them in God s admonition the adversary takes advantage of the time lost Generational curses are at an all time high with many not realizing what they are experiencing The enemy of our soul is after the seed and the seed s seed Infiltrating them while they are young is on his mind and is an infringement upon God s copyright God always intended for children to be loved and led by fathers and raised by godly mothers in the home from generation to generation Intentional Child Rearing is about starting early in making it a priority in raising our children It has to be at the forefront of our lives It can t be an afterthought It has to come before our jobs or social life The Bible clearly states to teach them when we are home when we lay down and when we rise up Deuteronomy 6 7 KJV This means pouring into and training our children constantly It s time and effort There will never be a dull moment for a parent or guardian when we do it in the early stages of a child s life as required by God Yes it will take stamina and we will have to stick with it until Christ is formed in them no matter what age But this is what it means by intentional child rearing

Stepping into Royalty Juliana Page,2021-07-14 What God has planned for your future you can t accomplish on your own Perhaps you know there s something you should be doing but you just can t pinpoint it You want to make a big impact with your life but you struggle with questions like What did God have in mind when he created me Are there keys to unlock my destiny How do I build spirit

driven success In Stepping into Royalty author Juliana Page relies on careful exploration of scripture using powerful stories to help you think differently about your calling and why it s important to God She tells how life offers more when destiny is your focus stepping into royalty means stepping into the role you were created to play in life Your divine purpose maneuvers you past challenges pains and shortcuts and even what appears to be failure Whether you re just starting out starting over or wondering if there is greater success than what you ve already accomplished now is the time to step into the frequency of faith Stepping into Royalty empowers you to take a stand for who you are what you carry and the legacy you co create It helps you to wake up to new levels of fulfillment and fall in love with yourself and your life **Dream Brave** Wai Jia Tam,2024-01-30 No Dream Is Too Small or Too Big for God Do you have dreams you long to fulfill yet feel you just can t Wai Jia felt that way Having met abandoned girls in Nepal who were traumatically evicted repeatedly she longed to do more Inspired by their audacious hope she dared to dream brave and at the age of 18 raised 100 000 to build them a home changing their lives forever Since then her life has been a series of radical yeses to God s call to faith Today as a multi award winning international humanitarian physician and nonprofit founder Tam addresses the self doubt and fear we all have Through powerful stories biblical insights and practical principles she invites readers to embrace risk and push past setbacks If you ve ever felt too small to pursue your dreams now is your time to step out in faith and watch God do something far greater than you imagined Dream brave Wai Jia Tam s story of faith and perseverance has been a great blessing to witness Love God dream His dreams and pursue them without fear HEIDI G BAKER PhD co founder and executive chairman of the board Iris Global An inspiring and delightful book about having bold brave dreams for God and seeing how He brings them to reality J JOHN REVEREND CANON Wai Jia truly lives out the axiom that God did not call us to be safe but He called us to be brave PASTOR BENNY HO senior pastor Faith Community Church Perth Exodus Edward Dickson,2012 The divine plan in Exodus was conceived by God before the creation because Jesus was the Lamb slain before the foundation of the world This is the central theme of the Bible and if a person did not know about it the Bible would remain a mystery The Bible has been interpreted many ways but if we could state the theme and central message of the Bible then we could understand it much better Exodus offers us a portion of that plan Exodus is a story which makes it easy to read It is the story of redemption and salvation and of the life of Israel afterward in which God told them what sacrifices would please Him and how to build Him a house Our study will include explanations of those animal sacrifices and how Christ fulfilled them This book was written to make Exodus more enjoyable and profitable in Bible study New Cyclopædia of Prose Illustrations: Embracing mythology, analogies, legends, parables, emblems, metaphors, similes, allegories, proverbs; classic, historic, and religious anecdotes, etc Elon Foster,1872 **Revelation** Allen Daves,2013-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22 16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should

we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch The Banner of Israel ,1895
