**Having It All** Christi Barth, 2019-05-28 Josh Hardwick's life looks great He lives with his best friends runs a gourmet food truck and spends his nights hooking up with every eligible woman in D C But he hides his daily struggle with dyslexia which holds him back from expanding his business The last complication he needs is a relationship Especially not with an off limits friend who is dangerously hot Annabeth Vasquez wears combat boots because life is a war zone and she damn well intends to be a survivor She's clawed her way out of poverty and is still in shock at her amazing new job Failure isn't an option So being distracted by Josh's playboy moves is definitely out of the question The boutique job puts her in the middle of his circle of rich educated friends Annabeth can't believe they accept her or that Josh wants her Dating a player always ends badly and Annabeth can't risk losing her job No matter how well Josh kisses Her job's at stake Josh's friends will kill him if he screws up and hurts her But they can't ignore how long and how much they've wanted each other So when Josh comes up with a plan to test drive their relationship Annabeth's on board Will they be able to move beyond their complicated pasts and fears and discover love makes it possible to have it all
