## **Take Me For A Ride:**

Take Me Back to Tipton David Wayne Campbell, 2006-11 This book is a compilation of short stories set in rural Oklahoma in the 1940s It depicts the early life of three brothers who lost their mother and went to live with their grandparents They had no electric lights no refrigeration no air conditioning no running water and no indoor toilet They did not know of television computers video games or the internet And yet they were happy This book has no plot per se but the stories give an insight into the brothers lifestyle in a small Oklahoma farming community The book has significant historical value and a touch of nostalgia for a bygone era It is a light hearted and fun read      **Live to Ride** Wayne Johnson, 2010-06-15 Live to Ride is pure adrenaline a full throttle exploration of motorcycles that pushes to the limit with heart pounding accounts of riding the greatest bikes of all time all over the world Live to ride ride to live For many motorcycle riders these words express life s guiding principle Just take a look at the patch emblazoned on the jackets of legions of riders Whether they re roaring down an empty highway on two wheels at an insane speed hopping on for a few mind boggling loops of motocross joining in the rolling thunder of a veritable outlaw motorcycle club or just cruising on a Harley on a Sunday afternoon motorcyclists of all stripes share a common love of the freedom that is riding Wayne Johnson a lifelong motorcycle lover and acclaimed writer takes us around the globe and onto the terrain where the most extreme thrilling forms of riding happen Johnson shows where it all began more than a hundred years ago when the first motorcycle evolved from the bicycle and lands us on the track today with some of the world s highest paid athletes professional motorcycle road racers From there we go inside radically different competitions like the vertigo inspiring Widowmaker Hillclimb and the fastest land racing on the planet at the Bonneville Salt Flats Johnson also offers an inside look at the legendarily secretive culture of biker clubs with firsthand accounts of his own wild rides with an outlaw club In every one of these venues you aren t just passing through as an observer you are on a bike racing across new and undiscovered country the horizon your only destination If you have ever wondered what it s like to climb on a motorcycle and feel its engine roar to life or have actually done it and felt the rush of flying off into the wild blue yonder or have simply been intrigued by this iconic part of American culture and history hold on tight for this irresistible one of a kind journey into motorcycling      My Ride with Glory Nelson Hardy, 2013-04 Raising children nursing them when ill and teaching them to respect nature falls right into a parallel category of nursing injured animals that are brought home for a parent to help them recover Sewing skills honesty and creative problem solving are also a plus when tackling uncharted waters It also helps to have a tender heart      **No More Being Abused, I'm Taking My Life Back** Ms. Survivor, 2017-11-20 Domestic Violence is a serious issue when dealing with the hands of your abuser Domestic Violence is a violent or aggressive behavior within the home church or workplace typically involving the violent abuse of a spouse or partner Domestic Violence is also willful intimidation physical assault battery sexual assault and or other abusive behavior as part of a systematic pattern of power and control perpetrated by one intimate partner against

another I was in an abusive relationship with my abuser for a long period of time I suffer a lot pain and heartache in the hands of my abuser He had me brainwashed He can cheat on me with whomever he wanted too but I dare not question him why My abuser told me I better not tell anyone and if you do I ll kill you Now that stuck with me for a long time I never told anyone of what he had did to me I knew I had to fi ght back in order for me to get away from him None of that worked out for me He always said the right words to win me back Yes I loved him and I didn t want to see him in jail I kept everything a secret from my family I pray that if you are in an abusive relationship to get out and seek help Yes he may tell you that he won t do it again but is it worth losing your LIFE He s going to tell you all the good words you love to hear but is your heart worth losing a BEAT Don t be afraid to seek help It s up to you to get the help If you know someone you can trust please tell them Always keep a journal of what is going on between you and your abuser I AM A SURVIVOR of DOMESTIC VIOLENCE I survive the hands of my abuser To all women s around the world who is going through an abusive relationship there is joy on the other side God will be there in the midst of your storm May God bless you all Ms Survivor
