Clinical and Practice Issues in Adoption Victor Groza, Karen F. Rosenberg, 1998 Experts representing practitioners researchers advocates and triad members explore the similarities and differences between adoptees placed as infants and as older children The book promotes better integration of theory practice policy and research in working with clients who are members of the adoption triad adoptees birth parents and adoptive families For the first time the separate practice areas are bridged pointing out the significant overlap between the two populations and the similar interventions that can be used when working

with adoptees regardless of their age at placement Developed as a resource text for practitioners researchers students and adoptive triad members the first chapter provides an overview of the clinical and practice issues Next the work presents issues surrounding infertility and explores identity development with a following chapter on search and reunion issues The fifth chapter discusses adoption support both historically and with current developments and issues The work then examines ethics and offers a model for ethical adoption practice The final chapter explores treatment issues from a family systems perspective

**International Journal of Child & Family Welfare** ,1998      Families in Society ,2004      **Finalized Adoption Disruption** Jennifer Foulkes Coakley,2005      **Theraplay** Ann M. Jernberg,Phyllis B. Booth,1999 Using Play to Develop Trust and Joy in Parent Child Relationships Theraplay modeled on the natural playful patterns of healthy interaction between parent and child helps troubled families develop the responsiveness and structure vital to a child s development Theraplay shows parents how to use play to communicate love and authority and to engage their children in interactions that develop competence self esteem and trust Booth s revised edition brilliantly integrates Jernberg s innovative approach with recent research on attachment and the effect of stress and trauma on child development In a clear forceful style and illustrated by vivid therapeutic vignettes Theraplay demonstrates how this creative and joyful treatment can help even the most challenging children and their families This well organized detailed book will delight both neophyte and experienced professional Theraplay has the capacity to transform an insecure parent child relationship to one of mutual pleasure and trust Miriam Elson author Self Psychology in Clinical Social Work This is a much needed resource and I highly recommend it Charles E Schaefer professor of psychology Fairleigh Dickinson University Theraplay should be mandatory for every child placed in foster care or an adoptive home Kevin O Connor author The Play Therapy Primer Booth has made explicit the reality of attachment based play that is Theraplay She has gone further than the first edition in integrating parents into the treatment By giving parents the skills to take the interventions home she enables Theraplay to be a much more effective brief therapy method Daniel A Hughes author Facilitating Developmental Attachment Helping to create restructure or restore a child parent relationship is an awesome task and a sacred trust The Theraplay method provides a structure for working with both children and their caregivers to develop robust wholesome relationships Beverly James author Treating Traumatized Children and Handbook for Treatment of Attachment Trauma Problems      **Current Index to Journals in Education** ,2001
