The Suffrage of Elvira V. S. Naipaul (Schriftsteller, Trinidad), 1964 **Decolonization and the Other** Sharon C. Sewell, 2010

In 1962 Jamaica and Trinidad and Tobago became independent countries Barbados followed in 1966 In the years leading up to these events the history of the British West Indies was written largely by the British the colonial power who focused on the process of decolonization and the key local players involved After independence local scholars also focused on the role of political leaders in the newly independent countries To date scholars have paid little attention to the impact of these events on the local populations of these islands

Decolonization and the Other The Case of the British West Indies explores the local perspectives on and reactions to events by using West Indian literature to supplement the historical record Beginning in the 1930s when local demands for political participation increased through the process of decolonization and into the early years of independence West Indian writers used their life experiences to document local reaction West Indian literature first appeared in 1950 when British publishers became interested in island authors and their novels By using the novels to supplement the historical record we can gain a better understanding of the process of decolonization and the early years of independence in the British West Indies

V. S. Naipaul Selwyn Reginald Cudjoe, 1988 This major reassessment of novelist V S Naipaul s work argues that although Naipaul regards himself as rootless without a past without ancestors his writing is in fact rooted in the literary and historical traditions of the Caribbean and can best be understood in the context of the larger field of postcolonial discourse Covering in chronological order all of Naipaul s books Selwyn R Cudjoe charts the author s development from a position in which the tension between his Eastern and Western visions of the world created classics of world literature A House for Mr Biswas The Mimic Men to his progressive identification with the dominant imperialist ideology and racist preoccupations of the age In a Free State Guerrillas A Bend in the River Among the Believers Cudjoe s analysis is grounded in contemporary literary theory an understanding of Hinduism and a thorough knowledge of West Indian literature and history
