How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

United Artists, Volume 2, 1951-1978 Tino Balio, 2009-04-08 In this second volume of Tino Balio s history of United Artists he examines the turnaround of the company in the hands of Arthur Krim and Robert Benjamin in the 1950s when United Artists devised a successful strategy based on the financing and distribution of independent production that transformed the company into an industry leader Drawing on corporate records and interviews Balio follows United Artists through its merger with Transamerica in the 1960s and its sale to MGM after the financial debacle of the film Heaven s Gate With its attention to the role of film as both an art form and an economic institution United Artists The Company That Changed the Film Industry is an indispensable study of one company s fortunes from the 1950s to the 1980s and a clear eyed

analysis of the film industry as a whole This edition includes an expanded introduction that examines the history of United Artists from 1978 to 2008 as well as an account of Arthur Krim's attempt to mirror UA's success at Orion Pictures from 1978 to 1991 *I Love You, However!* Andy Bethea, 2012-04-11 This book is designed to assist the reader with understanding love, trust, and faith *Shakspeare's Werke* Shakespeare, 1876 *Balancing the Big Stuff* Miriam Liss, Holly H. Schiffrin, 2014-08-07 While the current conversation about work-family balance and having it all tends to focus on women, both men and women are harmed when conditions make it impossible to balance meaningful work with family life Yet both will benefit from re-evaluating what it means to have it all and fighting for changes in their relationships and society to make greater equality possible Here Miriam Liss and Holly Hollomon Schiffrin discuss the ways in which we all define having it all and how we can obtain it for ourselves through a better evaluation of what we want from ourselves, our families, our jobs, and each other Determining a 50/50 division of labor around the house may not be the thing that works for everyone Working from home or not at all may not be the thing to bring us satisfaction but learning what studies show and how to feel balanced and make those decisions to bring balance is crucial The authors argue that people can find balance in their roles by doing things in moderation Although being engaged in both parenting and work is good for well-being, people can avoid the pitfalls of over-parenting and over-working They show that balance can come from a meaningful consideration of what happiness and contentedness mean to us as individuals and how best to achieve our goals within the limitations of our current circumstances They illustrate that balance is not simply an individual problem Social issues such as the lack of parental leave, flexible work schedules, and affordable high-quality child care make balance difficult With attention now on the issue, they argue that it's time men and women advocate for better services and better opportunities to achieve balance, happiness, and success in all their roles *From Radio to Television* Vincent Terrace, 2022-10-21 The early years of television relied in part on successful narratives of another medium as studios adapted radio programs like *Boston Blackie* and *Defense Attorney* to the small screen Many shows were adapted more than once like the radio program *Blondie* which inspired six television adaptations and 28 theatrical films These are but a few of the 1,164 programs covered in this volume Each program entry contains a detailed story line, years of broadcast, performer and character casts, and principal production credits where possible Two appendices, *Almost a Transition* and *Television to Radio* and a performer's index conclude the book This first of its kind encyclopedia covers many little-known programs that have rarely been discussed in print e.g. *Real George* based on *Me and Janie* Volume One based on *Quiet Please* and *Galaxy* based on *X Minus One* Covered programs include *The Great Gildersleeve*, *Howdy Doody*, *My Friend Irma*, *My Little Margie*, *Space Patrol*, and *Vic and Sade* **Women and Minorities in Science and Engineering**, 1984 **The Official Records of Robert Dinwiddie, Lieutenant-Governor of the Colony of Virginia, 1751-1758, Now First Printed from the Manuscript in the Collections of the Virginia Historical Society** Virginia Historical Society, 1883 *Selections from the book of 2 Samuel: annotated and prepared, by H.M.
