Betty Neels

Tabitha In Moonlight:

TABITHA IN MOONLIGHT Betty Neels, Kaoru Ohashi, 2020-01-01 Tabitha's stepmother has told her since she was a little girl that she's ugly and it's useless to even try to look pretty and Tabitha's always being compared to her pretty stepsister. With her self-esteem in tatters, she's given up on romance and focused solely on her career as a nurse. But then she meets a doctor from Netherlands, Marius van Beek. He's handsome and competent, calm and kind. Tabitha has fallen for a man for the first time in her life, but it seems he's dating her stepsister. Tabitha in Moonlight Betty Neels, 1998 A Special Something/Tabitha in Moonlight/Henrietta's Own Castle/Discovering Daisy Betty Neels, 2020-03-09 Tabitha In The Moonlight Sister Tabitha was an efficient nurse, but when it came to matters of the heart, she was less sure of herself. So when she fell in love, she had no idea how to deal with her feelings. Was that why the Dutch surgeon Marius van Beek called her Cinderella? If only Marius would ride up on a white horse and ask for her hand in marriage. But people lived happily ever after only in fairy tales, didn't they? Henrietta's Own Castle When Henrietta was left a house in a Dutch village, she decided to make her home there and settled happily into her new abode. She thought she would like everything about Holland except Marnix van Hessel. As lord of the manor, he behaved as if it were still the Middle Ages. Why couldn't he just marry his fiancée and leave Henrietta in peace? Discovering Daisy Daisy Gillard leads a quiet life working in her father's antiques shop until the handsome paediatrician Mr Jules der Huizma sweeps her away to Holland. It is a secret joy for Daisy that Jules seems to want to spend time with her. But Daisy knows her feelings can't lead anywhere since Jules is promised to another woman. Still, he is so attentive and charming that Daisy is starting to hope she could become Jules's bride. Shadows in the Moonlight Santa Montefiore, 2025-08-19 Shortlisted for Romance Novel of the Year Historical To settle the restless ghost haunting an English manor in the present day, timeshifter Pixie Tate travels to the Victorian era to solve the mystery of a missing child. There she accidentally meets the love of her life. C. J. Cooke's The Ghost Woods meets Diana Gabaldon's Outlander in this gorgeous gothic time travel romance. A restless ghost. A forbidden love. An impossible choice. When Pixie Tate is summoned to the wild Cornish coast to unravel a curious mystery at the stately St Sidwell Manor, she knows that something quite extraordinary must be hiding in its shadows. Over one hundred years ago, in the dark of night, a child vanished from his bed, never to be seen again. And Pixie must now discover the truth of those final moonlit hours. As she loses herself in the past, secrets are revealed, love affairs exposed, and ultimately Pixie will be forced to make a devastating choice that will change her life forever.
