Tact Of Teaching The Meaning Of Pedagogical Thoughtfulness:

The Tact of Teaching Max van Manen, 2016-06-16 In *The Tact of Teaching* bestselling author Max van Manen offers teachers at every stage an original and inspiring interpretation of the notion of pedagogy one that searches for its roots in the experience of *in loco parentis* Using dozens of anecdotes and scenes taken directly from life in classrooms including many from the often neglected domain of high school *The Tact of Teaching* explicates the meaning of pedagogical moments the conditions of pedagogy the relation between pedagogy and politics the nature of pedagogical experience and the practical forms of pedagogical understanding The author Presents experiential analysis of the relation between pedagogical reflection and action Explores how pedagogical tact manifests itself what tact accomplishes and how tact does what it does Speaks of hope and humane practice in an era of schooling often given over to mindless technocracy or fashionable despair

Life-Practice Educology Lan Ye, 2020-03-23 In *Life Practice Educology A Contemporary Chinese Theory of Education* Ye Lan presents the theory of a contemporary Chinese school of Educology It consists of two main parts The first part proposes a fully formulated view on Life Practice School of Educology and expounds on current thinking in China that denies the independence of educology as a discipline The second part explains both inherited and new understandings of the Life Practice School of Educology covering Chinese traditional culture and the current debate It further refines the Chinese understanding of Education *jiaoyu* as teaching the knowledge of nature and society and cultivating a self consciousness towards life

Humanizing Ballet Pedagogies Jessica Zeller, 2024-12-30 In *Humanizing Ballet Pedagogies* Jessica Zeller offers a new take on the ballet pedagogy manual examining how and why ballet pedagogies develop considering their implications for students and teachers and proposing processes by which readers can enact humanizing equitable approaches This book supports pedagogical thinking and development in ballet Across three parts it reflects how pedagogies come to be through rationales dialogues and practices Part 1 *Philosophies* offers a contextual reading of ballet pedagogy s historic relationship to ideals and it describes an alternative approach that takes its meaningful purpose from the embodied knowledge of participants in the ballet class Part 2 *Perspectives* looks at how the teacher s person shapes the ballet class It draws from a new survey of ballet students that illuminates the direct effects of pedagogies and proposes future directions Praxis Part 3 includes three theoretically based approaches that can be applied directly or adjusted to readers contexts for teaching ballet yielding to student agency and autonomy ungrading graded ballet classes in higher education and practicing reflection for growth Grounded in the wide range of people who participate in ballet themes of equity ethics and humanity are at the heart of this book *Humanizing Ballet Pedagogies* is a valuable resource for those teaching or developing a teaching approach in ballet It addresses important issues for school owners administrators or anyone responsible for supporting ballet teachers or students in the twenty first century

The Tact of Teaching Max van Manen, 2015-07-31 In *The Tact of Teaching* bestselling author Max van Manen offers teachers at every stage an original and inspiring interpretation of the

notion of pedagogy one that searches for its roots in the experience of *in loco parentis* Using dozens of anecdotes and scenes taken directly from life in classrooms including many from the often neglected domain of high school *The Tact of Teaching* explicates the meaning of pedagogical moments the conditions of pedagogy the relation between pedagogy and politics the nature of pedagogical experience and the practical forms of pedagogical understanding The author Presents experiential analysis of the relation between pedagogical reflection and action Explores how pedagogical tact manifests itself what tact accomplishes and how tact does what it does Speaks of hope and humane practice in an era of schooling often given over to mindless technocracy or fashionable despair

Pedagogical Tact Max van Manen, 2016-07-11 *Pedagogical Tact* describes how teacher student relations possess an improvisational and ethical character The daily realities of educators parents and childcare specialists are pedagogically conditioned by sensitive insights active thoughtfulness and the creative ability to act caringly and appropriately in the immediacy of the moment Internationally known educator Max van Manen shows through recognizable examples and evocative stories how good teaching is driven by the phenomenology of pedagogy His book refocuses educators and others away from an emphasis on instrumental skills and technocratic programs toward the need for pedagogical tact describes how pedagogical actions have latent effects that will influence children throughout their lives shows how our actions with young people have pedagogically ethical and moral significance gives educators back their original vocational motivation and inspiration

Understanding Curriculum William F. Pinar, 1995 Perhaps not since Ralph Tyler's 1949 *Basic Principles of Curriculum and Instruction* has a book communicated the field as completely as *Understanding Curriculum* From historical discourses to breaking developments in feminist poststructuralist and racial theory including chapters on political theory phenomenology aesthetics theology international developments and a lengthy chapter on institutional concerns the American curriculum field is here It will be an indispensable textbook for undergraduate and graduate courses alike

China's Education Reform: Current Issues And New Horizons Ruiquan Gao, Guanjun Wu, 2018-08-07 *China's Education Reform Current Issues and New Horizons* collects important research findings of education studies on China conducted by the academics at East China Normal University ECNU in recent years The book covers topics including the rebuilding of contemporary Chinese education reform the breakthrough of China's pedagogy problems facing the education reform and the ecological orientation of education technology among others This book is the fourth volume in the WSPC ECNU Series on China The WSPC ECNU Series showcases the significant contributions to scholarship in social sciences and humanities studies about China The Series is jointly launched by World Scientific Publishing the most reputable English academic publisher in Asia and ECNU a top University in China with a long history of exchanges with the international academic community

Teaching the World Merrill Distad, University of Alberta. Office of the Vice-President (Research and External Affairs), 1996-04 This book catalogues an exhibition of textbooks by authors from the University of Alberta Each finished textbook contains its own story of challenges and victories And each has

its own power as a record of knowledge a teaching tool and an object of permanence and beauty *Weaving Narrative Nets to Capture Classrooms* D. Geelan, 2007-09-29 If you're the kind of reader who usually skips the Preface I am you can certainly do that It's probably valuable though for me to spend a little time describing the structure of this book to orient you to the way the argument unfolds My intention was to try to find the best possible blend of theory and practice I believe there are plenty of excellent books describing the theoretical underpinnings of qualitative research in education Denzin Eisner 1998 Guba Lincoln Harold 2000 Wolcott 1973 There are fewer books that focus on describing in detail how to conduct these studies Anderson Kerr Van Manen 1990 Wolcott 1990 for an audience that is not already familiar with both the methods and the philosophical commitments that underpin qualitative research This book is intended to do all of these things to some extent or to refer you to other authors who I think do them well but its original contribution is in using as a concrete example a particular research study that I completed This allows me to reflect on the processes and practices and particularly the choices involved in qualitative classroom research and to illustrate those reflections in a very practical way **Holistic Education Review**, 1993 Pedagogical Tact Max van Manen, 2016-07-11 Internationally known educator Max van Manen provides phenomenological guidance on how teachers parents and other child care workers can act pedagogically with sensitivity tact respect and attentiveness to create a positive influence that is felt throughout the young person's life and adulthood Teaching, Google eBook Rick Churchill, Peter Ferguson, Sally Godinho, Nicola F. Johnson, Amanda Keddie, Will Letts, Jenny Mackay, Michele McGill, Julianne Moss, Michael C.
