Tad And Dad:

Tad and Dad David Ezra Stein, 2015-04-21 Caldecott Honor winner David Ezra Stein's funny and tender tale of a growing tadpole who loves his frog dad so much he never gives him a moment's peace Tad the tadpole spends every day with his awesome dad and shares a lily pad with him at night It's always been that way but little Tad is growing up and quickly becoming as awesome and large as his dad As his new parts sprout he's learning to swim and hop and croak just like Dad Dad is very proud but when Tad's accomplishments carry over into nighttime bringing lots of kicking and croaking in his sleep the lily pad is no longer a bed for two Even Tad finally realizes it's time for a lily pad of his own and all is well at least until Dad realizes how much he misses Tad Tad's Dad Marv Alinas, 2019 A child is sad that his father has to leave for the day and must learn to occupy his time while he waits This simple story for beginning readers teaches the ad sound through rhyming text and bright original illustrations Additional features to aid in comprehension include a word list for review a note to parents and educators and an introduction to the author and illustrator **Philables** Philip Lehman, 2024-09-10 Dr Philip Lehman has no theological training so Philables are Layman stories pun intended not sermons Philables are intended to help believers see every act is an act of worship To see everyday events as teachable moments little vignettes that can lead to moments of praise reflection and encouragement For several years Phil's morning devotions have frequently included writing short stories Stories that are based on the day's scripture passage or some recent event This allows him to bring Biblical values and lessons into his daily life in short relatable stories Several friends asked him to share these daily stories with them and have since encouraged him to have them published as they have shared them with their family and friends Each weekday he also emails the new Philable to his niece a missionary in Thailand and translates them into Spanish and emails them to a pastor in Peru Other than scripture ideas for these stories come to Phil in sermons daily interactions with others and comments and current events Philables avoid politics and cultural concerns and conclude with a brief synopsis of a lesson to contemplate or scripture to bring the story into daily life For example the first Philable ends Moriah returned from her mission trip in Australia with a serious fungal foot infection Her friends and family saw dirty smelly feet her doctor saw infected feet God saw beautiful feet As it is written How beautiful are the feet of them that preach the Gospel of peace and bring glad tidings of good things Romans 10:15 Go get your feet dirty get off the sidewalk Be in the world but apart from the world Don't worry about what man sees Follow Jesus example Sara's Gift Carol Stucki, 2010-11-30 **Tad, the Story of a Boy who Had No Chance** William Cyrus Sprague, 1912 **The Society: Proof** Aaron Crabill, 2012-07-12 Ghost hunting has gone from a hobby to a matter of life and death for three high school students Whether it's the ghosts themselves a demon possessed high school bully or a shadowy conspiracy trying to steal their work The Society must be ready to face not only great threats but the fact that everything they have been looking for may finally be staring them right in the face proof New Perspectives on the Origins of Language Claire Lefebvre, Bernard Comrie, Henri Cohen, 2013-11-15 The question of

how language emerged is one of the most fascinating and difficult problems in science In recent years a strong resurgence of interest in the emergence of language from an evolutionary perspective has been helped by the convergence of approaches methods and ideas from several disciplines The selection of contributions in this volume highlight scenarios of language origin and the prerequisites for a faculty of language based on biological historical social cultural and paleontological forays into the conditions that brought forth and favored language emergence augmented by insights from sister disciplines The chapters all reflect new speculation discoveries and more refined research methods leading to a more focused understanding of the range of possibilities and how we might choose among them There is much that we do not yet know but the outlines of the path ahead are ever clearer

John! Episode Three Rolin Bruno, 2017-02-08 This is the third episode in the adventures of teenager John the youngest apostle of Jesus He became known as the disciple Jesus loved John 13 23 and later wrote the Bible books of the Gospel of John three Letters of John and the Revelation of John In the last years of the first century AD he was known as John the Elder the revered leader of the Church of Ephesus As with any teen John and the other teens among the disciples would make mistakes and be unsure of themselves But they had Jesus and the older disciples to rely on including John's married brother Peter and the former tax collector Matthew Danger and death threats followed in the tracks of Jesus throughout his travels in AD 29 and John was close by his side most of the time This is historical fiction It is historical for it strives to be true to all that is known about the characters their locations and their actions from the Bible from archaeology and from other historical sources It is fiction for it fills in the blanks with a tale told by the author Endnotes refer to the Bible verses which contain the stuff that really did happen Enjoy the story but remember that it is only part nonfiction and the rest is in the realm of possibility
